

## Offered To Farmers Filing Income Returns

County Agent H. W. Ozlin this week addressed a letter to certain farmers in Princess Anne County who may have been worrying about filing their Federal income tax returns this month, and in his letter offers to be of aid to those who wish help. Mr. Ozlin advises that he will hold a meeting at the Courthouse, in the Courtroom, on Saturday morning, January 5, (tomorrow) at 9:30 a. m.

Present at the meeting, said Mr. Ozlin, will be W. J. Nuckolls, Jr., Supervisor Agricultural Economist, of Blacksburg, who has done considerable work in regard to farmers and the Federal income tax schedule. He will be of service to only who desire his help.

Mr. Nuckolls will explain to all who attend the different forms that will have to be executed and how they should be filled out," Mr. Ozlin said, "and it is my feeling

## Battle Joined

(Continued from Page One)

voters of the County should have been given a choice as to their preference, if indeed, they deemed a change was needed. This procedure was followed in Fairfax County.

Both sides in the controversy are working to bring their points of view before the people. Several meetings have been held by both pros and cons recently, and many more are scheduled between now and election day.

The Precise Question According to a guide ballot being circulated, the precise question will be:

"Shall the County Adopt the Executive Form of Government?"

Spaces below are provided for an "X" before For or Against.

that he will bring out certain features of the program that will be designed to save many of you money on your Federal income taxes."

The beautiful Nativity scene pictured above is to be seen at the residence of Mr. and Mrs. John J. Williams, at 8406 Ocean Avenue here. The public is invited to see this much praised arrangement, which is on display from nine in the morning until midnight.

The statues representing the characters of the Gospel story are twenty-four inches in height, and the painting was done by Paul Hoffman, a native of Prague, Czechoslovakia, reputedly the best in his field.

## Graham Speaks At Men's Club

The Rev. James Edward Graham, pastor of the First Presbyterian Church, Portsmouth, will be the speaker at the forthcoming dinner meeting of the Presbyterian Men's Club at the Presbyterian Church on Wednesday, January 9, at 7:00 p. m.

Dr. Graham will be introduced by the president, W. W. Stroud, R. G. Bosher, president, will preside at the meeting.

## Dr. Wm. Holland To Preach Sunday

Dr. William C. Holland, of the First Baptist Church, Southern Pines, N. C., will preach to the local Baptist congregation at the Community House, 18th and Arctic Avenue, on Sunday, January 6, at the 11 o'clock service.

Dr. Holland is a native of Colorado, and a graduate of Baylor University. He received his doctorate from Southern Baptist Theological Seminary.

## Dr. Granville Jones To Address P-T A Meeting Monday

Dr. Granville Jones, Superintendent of the Eastern State Hospital, will be principal speaker at the meeting of the W. T. Cooke Parent-Teacher Association Monday afternoon at 3 o'clock in the school auditorium.

A meeting of the Board will be held at the school at two o'clock, immediately preceding the meeting.

The public is cordially invited to attend and hear Dr. Jones.

With the possible exception of Herbert Hoover, George Washington was the wealthiest President of the United States.

## Woman's League To Install Officers

Officers of the Women's League for Good Government for the coming year, headed by Mrs. C. S. Shuford, president, will be installed at a luncheon meeting of the organization to be held at the Princess Anne Country Club next Friday, January 11, at 12:30 p. m.

Cost per plate for the luncheon will be \$2.50, and members are requested to telephone Mrs. J. E. Fitzgerald, Jr., at Virginia Beach 221-M, by Thursday, January 10.

Mr. and Mrs. E. A. Darden and son, Ducky Darden, and Jack Syer have returned home after visiting Mrs. Darden's parents, Mr. and Mrs. James W. Bake, in Hilton Village.

## What to do when your house is on fire

Think first of personal safety! Warn all members of your family. Get them outside. Turn on outside fire alarm. If smoke is thick, wrap towels or clothing around mouth or nostrils.

Call the fire department! Always know the telephone number of the nearest fire station. Turn in alarm immediately!

Stay out of a burning house! If fire is out of control, don't return for valuables or other possessions. You may be trapped by flames. Life is one thing you cannot replace. Let the firemen do the work... stay clear!

The first few minutes count! Always keep Underwriters-approved fire extinguishers on hand. Use them to control fire, if possible, if possible.

## What to do before fire strikes

See us. We'll make sure that your insurance gives you full protection against loss by fire.

What's more, we'll give you friendly, competent advice on all your insurance problems. And we'll show you how little it costs to have the best protection, expertly tailored to your own needs. You'll feel safer knowing, too, that your insurance will be placed in one of the oldest, strongest and most progressive organizations in the business.

Remember, the few minutes you spend with us may save you a lifetime of regret. Don't wait! See us now, won't you?

## New Plymouths Displayed Today

The new Plymouth for 1952 will go on display here and throughout the United States today, William G. Thompson, Jr., vice-president of the Coates Motor Company, announced this week.

A long list of improvements—46 in all—has been incorporated in the engine, the brakes, the electrical system, the chassis, and to the inside and outside of the body.

The new Plymouth may be seen at the Coates Motor Co., Inc., at 21st and Pacific Avenue, Virginia Beach.

The new car, according to D. S. Eddins, president of Plymouth, has been improved and refined to provide "the most gentle ride, the smoothest engine performance and the greatest safety ever built into a car for the lowest price field."

Exceptional engine smoothness is produced through a newly designed combustion chamber; the brakes are stronger and longer-lasting; Plymouth's famous safety-flow ride has been made even more comfortable by improvements in the springing and to the oil-flow shock absorbers; and the car's beauty is enhanced by numerous styling refinements.

The Plymouth has a road-hugging, sweeping appearance, accentuated by changes in the external adornment. A new luxurious standard for interiors is attained with the high quality upholstery fabrics in harmonious colors which blend beautifully with the instrument and door panels.

A new, smoother flow of power results from the newly designed combustion chamber in the Plymouth's floating power engine. A 2 to 1 compression ratio is attained in the six-cylinder, 97 horse power engine. Longer life for both the main and rod bearings is now achieved through an improved type of base metal.

There are ten body types in the new Plymouth line.

Mrs. Carrie Etheridge has returned to her home on 34th Street after visiting her son and daughter-in-law, Mr. and Mrs. Robert Etheridge, at their home in Richmond.

Mr. and Mrs. William Thomas, of Norfolk, are spending some time with Mrs. Thomas' parents, Mr. and Mrs. James H. Jordan, Jr., at their home in Bay Colony.

James Midgette has returned to Fort Benning, Ga., after spending the holidays with Mrs. Midgette, who is residing with her parents, Mr. and Mrs. Louis Kitchin, on 26th Street.

Mr. and Mrs. Preston Mix, of Bay Colony, spent the holidays in Richmond with Mrs. Mix' mother, Mrs. John Archer Calk.

Mr. and Mrs. A. C. Wood and daughter, Miss Katherine Wood, have returned to their home on Pocomtux Drive after visiting relatives in Charlotte, N. C.

# SOCIETY ITEMS & NEWS NOTES OF INTEREST TO WOMEN

A DEPARTMENT DEVOTED TO SOCIAL HAPPENINGS AND CLUB ACTIVITIES

## Engaged Couple Honored at Dinner

Miss Winifred Louise Dawley, of Norfolk, and Cadet Thomas Walls, of West Point, whose engagement was recently announced, were guests of honor at a dinner given by Mr. and Mrs. Elwood Brambeck at their home here on Sunday evening.

## Miss Martha Thomson Honored at Cocktails

Miss Martha Fender Thomson, debutante, was honored at a cocktail party given Tuesday afternoon in Norfolk by Mr. and Mrs. Edmund Burke, Mr. and Mrs. Alan G. Burrow and Mr. and Mrs. S. W. Fannell, Jr.

## Daughter Born

Mr. and Mrs. Howard M. Robinson announce the birth of a daughter, Sarah Lynn, December 18, in Madison, Wis.

Mrs. Robinson is the former Miss Mary Elizabeth Chaffee, daughter of Herbert W. Chaffee, of Virginia Beach, and the late Mrs. Chaffee.

## Woman's Club To Meet Noon Tuesday

The Woman's Club of Princess Anne County will meet next Tuesday, January 8, at 12 o'clock noon at Pine Tree Inn.

Miss Betty Wren Beven will return Sunday to Washington to resume her studies at Marjorie Webster Junior College, after visiting her mother, Mrs. W. G. Rock King, and Mr. King at their home on Pocomantas Drive.

## Barbara Jane Wynne Becomes Bride of John F. Cross, II

The Main Street Methodist Church, Suffolk, was the scene of a pretty wedding last Saturday evening at 8:30 o'clock when Miss Barbara Jane Wynne, daughter of Mr. and Mrs. Robert Bateman Boyce, of Virginia Beach, became the bride of John Franklin Cross, II, son of Mr. and Mrs. Marion A. Cross, Sr., of Suffolk. The church was decorated with woodwardia ferns, aspidistra, white snapdragons, gladioli and cathedral candles. The officiating minister was the Rev. R. H. Forrester and wedding music was played by Miss Elizabeth Goetz. Miss Betty Payne, of New York, sang "My Sweet Repose," "My Heart Ever Faithful," and "I Love Thee."

Wearing an original wedding gown by Marie of Florentine lace over satin, with wide sheer yoke outlined with pearls and sequins, Miss Wynne was given in marriage by her step-father, Robert Bateman Boyce. Her basque bodice buttoned up the back with self-covered buttons, and her leg o'mutton sleeves ended in points over the hands. A cathedral train was formed by her full gathered skirt, and her finger-veil of imported illusion was arranged from a satin and lace caplet edged with lace. She carried a crescent of bride roses, lilies of the valley, centered with a white orchid. A diamond necklace, belonging to the bridegroom's mother, was her only ornament.

Miss Mary Anne Woolridge, of Norfolk, was maid of honor, and bridesmaids were Misses Jan Kirby, Ann Persons, and Ann Solomon, of Norfolk; Miss Mary Evelyn Cross, of Suffolk, sister of the bridegroom, and Miss Mary Latham, of Texas.

Miss Shelia Lockamy, of Norfolk, cousin of the bride, was junior bridesmaid.

Best man was the bridegroom's brother, Joseph M. Cross.

A reception at the Hotel Elliott in Suffolk followed the ceremony. Later Mr. and Mrs. Cross left on a wedding trip to Lake Placid, N. Y. Upon their return they will make their home in Suffolk.

## Son Is Born

Mr. and Mrs. John Guthrie Williams announce the birth of a son, John Guthrie Williams, Jr., on Sunday, December 30, at Norfolk General Hospital.

Mrs. Williams is the former Miss Mary Virginia Moore, daughter of Mr. and Mrs. Herbert C. Moore, of Princess Anne County.

Mr. and Mrs. Julian Lawrence will move the first of next week from 65th Street to their newly completed home in Cavalier Park.

## AMONG FIRST

Miss Virginia—Miss Shirley Louise Bryant of Norfolk—a Miss America contestant, makes one of the first contributions to the March of Dimes. These familiar miniature iron lungs are conveniently located all through Virginia Beach and Princess Anne County for YOUR contribution.

## Miss Jane Johnston Engaged to Wed Colgate Darden, 3d

Mrs. William Andrew Johnston of Charlottesville, announces the engagement of her daughter, Miss Jane Elizabeth Johnston, to Colgate W. Darden, III, son of Mr. and Mrs. Colgate W. Darden, Jr., of Charlottesville and Virginia Beach.

Miss Johnston is a student at Mary Baldwin College, Staunton, while Mr. Darden is studying at the University of Virginia.

The wedding will take place in the summer.

Mr. and Mrs. Mallory Boush and small daughter, Carol, have returned to Columbus, Ohio, after spending the Christmas holidays with Mr. Boush's parents, Mr. and Mrs. George W. Boush, at their home on Linkhorn Bay. Mr. Boush will resume his studies toward his Ph. D. degree at Ohio State University, Columbus.

Mrs. A. C. Peel, of Oceana, is convalescing at Memorial Hospital, 444 East 68th Street, New York City.

Lt. Bradford Linn, USN, and Mrs. Linn, of New London, Conn., have returned home after visiting Mrs. Linn's parents, Captain and Mrs. Ira E. Eskridge, at their home on 81st Street.

Mrs. Braden Vandeventer, who has been visiting her daughter, Miss Mary Dunn Vandeventer, in New York City, has returned to her home in Cavalier Shores.

Mr. and Mrs. Hale Jennings will move today from 54th Street to make their home in Waterview, Portsmouth.

## Miss Virginia Mapp Honored at Parties

Miss Virginia Blair Mapp, debutante daughter of Mrs. Richard Curtis Mapp, has been the honor guest at several affairs recently. On Monday Mr. and Mrs. John S. Alfriend entertained at a buffet supper at their home in Meadowbrook, in honor of Miss Mapp, who is their niece, and Miss Mary Martha Lee, another of the season's debutantes. Guests included the debutantes of the season and their escorts.

Tuesday afternoon Miss Mapp's mother was hostess at an oyster roast at Keelings, on the Lynnhaven River, in her honor.

## Staceys to Entertain At Cocktail Party

Mr. and Mrs. William Stacey have issued invitations to a cocktail party, to be given Sunday afternoon, January 6, at their home, "Waters Edge," Lynnhaven.

The hours will be from 4 until 6 o'clock.

## Son Is Born

Lt. Joseph L. McClane, Jr., USN, and Mrs. McClane announce the birth of their third son, John Michael McClane, Friday, December 14, at the Jacksonville, Fla., Naval Hospital.

Mrs. McClane is the former Miss Elizabeth Cofer Flynn, daughter of Mr. and Mrs. Thomas C. Flynn, of Virginia Beach.

## Teen-Age JAC's Have Xmas Dance

The Teen-age Junior American Citizens Club of Chesapeake Beach held its Christmas party and dance at the Chesapeake Beach Community House on December 27. Forty young people were in attendance and enjoyed a buffet supper following the dance.

Chaperones were members of the Woman's Club of Chesapeake used to purchase equipment for Beach and their husbands.

Proceeds from the dance will be the recreation area of the community center.

## Acredale Club Plans Clinic on Flower Arrangements

The Acredale Garden Club will hold a flower arranging clinic at the Kempsville Baptist Church on Wednesday, January 9, at 10 a. m. The clinic will last until 4 p. m., and an admission charge of \$1.00 will be made for non-members.

Those who are interested are urged to bring their problem containers for Mrs. T. Annarino, the instructor, to help them with.

A luncheon beverage will be served at the church, but those attending are asked to bring their own sandwich.

Further information concerning the clinic may be obtained by calling Mrs. F. L. Samson at 66-3048.

## Elder-Lyman Engagement Is Announced

Mrs. John Howard Elder, of Bainbridge, Ga., announces the engagement of her daughter, Miss Mary Lois Elder, to George Ernest Lyman, of Virginia Beach and Phoenix, Ariz., son of Ernest Marshall Lyman, of Oberlin, Ohio, and the late Mrs. Lyman.

Miss Elder is a member of the Citizenship Department, Delray Woman's Club, Delray Beach, Fla.

Mr. Lyman is a tennis professional and is now at Paradise Inn, Phoenix, and will be with the Cavalier Hotel this summer.

The wedding will take place in April at Delray Beach.

Snowflakes are six-sided.

## Oceanic Civic League Meets Monday

The Oceanic Civic League will meet at the Oceanic High School Monday night, January 7, at eight o'clock. It was announced this week.

Joseph L. Lyle, Jr., returned Wednesday to Lynchburg to resume his studies at Virginia Episcopal High School, after spending the holidays with his parents, Mr. and Mrs. Joseph Lawrence Lyle, in Bay Colony.

Mr. and Mrs. Walter C. Plunkett, Jr., have returned to their home in Charlottesville after spending the holidays with Mr. Plunkett's mother, Mrs. Effie Michie, at her home on Atlantic Avenue and 58th Street.

## African Violet Group Has Meeting

The Princess Anne African Violet Society held its December meeting at the home of Mrs. Marvin Towe, in Lynnhaven.

Christmas gifts were exchanged by the members and refreshments in keeping with the Yule season were served.

Mrs. Lawrence Lockwood received a blue ribbon for her exhibit, Mrs. Towe received a red ribbon.

## The Broderick Crawfords shine with the "Range of the STARS"

"My wife ought to get an Oscar for cooking," says Broderick Crawford. "The way she broils my favorite dish in our Electric Range, she can't be beat!" "The Electric Range broils everything to perfection," says Mrs. Crawford. "It's the nearest thing to charcoal broiling. Whether you want it rare or well done, an Electric Range will give you just the result you want."

There's no guesswork with a modern Electric Range. No matter whether you're amateur or expert, things always come out right. There's nothing new to learn. You get fast cooking, thrifty cooking, with a minimum of pot watching and "peeking." There's less chance of boil-overs and scorching.

Let your dealer show you why an Electric Range is the only modern range.

**MIXED GRILL** Broderick Crawford's choice  
4 lean lamb chops, cut 1-inch thick  
8 small pork sausages  
2 large cooked yams, halved  
2 tablespoons chopped chives  
2 tomatoes, halved  
Salted butter or margarine  
Salt and pepper  
Place chops and sausages on rack of broiler pan; turn switch to Broil. Place pan so that surface of meat is about 4 inches from broiler unit. Leave oven door partly open. Broil 6 to 8 minutes. Turn chops and sausages. Add yams and tomatoes; brush with melted butter; sprinkle with salt and pepper; scatter chives on tomatoes. Broil 6 to 8 minutes longer. Arrange on hot platter. Yield: 4 servings.

3 Good Reasons Why You Need an Electric Range  
Better cooking results  
It's clean  
It's easy to use  
It's thrifty  
It's safe  
It's modern  
It's fast  
The only way to enjoy all these benefits is to have an Electric Range! No matter what you choose, be sure it's ELECTRIC, and you're sure of having a really modern automatic range!

## TAKING A LONG LOOK

There is an old adage which says "He who hesitates is lost." Apparently it is on this theme that the advocates of the proposed Executive Form of County Government are asking Princess Anne County voters to act on Tuesday, January 15.

There is another adage, fully as old and much more honored by thinking people, which advises "Look before you leap." That is the policy which is being advised by those who do not wish our people to rush headlong into something of which they know little, and the adoption of which might cause them years of regret before they would be able to extricate themselves.

To paraphrase the fable of the dog and his bone on the bridge, who dropped his "bone in the mouth" in favor of its enlarged reflection in the stream, we who will go to the polls Tuesday week should take a long look at the mirage held up for our inspection, and without being stampeded, reason out what is best for all of us.

It would be manifestly foolish to say that the County Executive Form has no advantages. It does have. It would be even more foolish to state unequivocally that it is the perfect system of government for Princess Anne County. What the voters need to do is have time to study the matter reasonably and soberly, without the pressure of partisanship or factional sales talk, and then make a rational decision.

Two of the most valid arguments in favor of either the County Executive or County Manager Form (although the voters are in this instance offered no choice between them) is the manner in which the County School Board would be chosen, and the fact that the proposed change would create the post of a distinct head for County affairs, call him Executive or Manager.

This column has stated before, and reiterates, that it believes the County School Board should be appointed by the Board of Supervisors. This proposed form would provide for, but before we go overboard in the matter—let's take a longer look. The new form would allow three Supervisors, representing about one-fifth of our voting population, to name that board, and its members would serve only at their pleasure, with no definite term. We believe, and you will know, on thorough study, that this is not a thing to be desired.

As for a County Manager, Princess Anne County may, under the present State Code, have such a head at any time the Board of Supervisors so chooses—without any referendum at all. If such a manager is so to be desired, why has he not advocated, and named, many years ago?

Let's look at this County Executive form on a comparative basis—comparing our County of Princess Anne with the only County in the State which has had the Executive Form in force in recent years. The only such county is Albemarle. True, Fairfax County began its experiment with it on Tuesday of this week, but that is not a basis for comparison. Let's look at Albemarle County.

Perhaps the easiest way to provide a comparison would be to give parallel columns showing population, costs, etc.:

	Albemarle	Princess Anne
Population (1930 census)	26,981	16,282
Adopted Executive Form	1933	
Population (1930 census)	26,662	42,277
Cost of School Administration	\$18,792.52	\$12,313.21
Costs for offices of Treasurer and Commissioner of Revenue, or like service	\$35,191.58	\$35,051.49
For administration, assessment and collection of taxes, and recording of documents	\$60,381.35	\$48,387.98
Cost of Public Welfare	\$143,675.00	\$101,117.00
Adjusted cash balances (July 1, 1950)	\$198,796.87	\$794,233.37
Entire personal property assessment	\$5,235,540.00	\$2,453,235.00
Revenue collected for all local purposes	\$691,900.92	\$549,246.47
Per capita cost of general government (using 1950 census)	\$11.01	\$ 8.89

Those are the figures. Study them well, for they prove that not only has the only Virginia county under the proposed form lost population while Princess Anne has almost trebled its own, but that every comparable cost has increased—and for a population only slightly more than half our own—26½ thousand to 42 thousand.

Yes, it will pay well to look before we leap, unless we wish to become entangled in a financial whirlpool which could well lead us into depths from which it would be hard to recover.

What would a County Executive cost? That is a fair question, and we can approximate an answer: According to a Richmond newspaper, Fairfax County offered \$18,000 a year to an experienced man—and was turned down!

Before we take from the people the right to choose their own county officials and substitute appointed ones, over whose compensation we have little or no control; before we vote ourselves to the brink of bankruptcy, let's take a long look at this thing which certain interests would fust upon us.

## MR. LOCKWOOD FORGETS

Among the questions that have been raised by Mr. Lawrence Lockwood, former Town Manager of Virginia Beach, and currently a supporter of the proposed County Executive form of government, is that of equalization of assessments.

It is the contention of Mr. Lockwood that under the proposed form, assessments would be better equalized. Does Mr. Lockwood forget . . . ?

Does Mr. Lockwood forget that he was a member of the Board of Supervisors, charged with the responsibility of equalizing assessments? Does he forget that he took an oath to perform this duty, and that he was paid to accomplish this?

Further, does Mr. Lockwood forget that one of the candidates he supported in the primary of last August was for seven years in charge of personal property assessments?

If assessments are not equal (and we believe they are) then Lockwood has only himself and his friends to blame for not performing their sworn duties, and his self-recrimination is quite

## CAMPAIGN BUTTON?

## Editorial Comment

## SOLD DOWN THE RIVER

President Truman ushered out the Old Year with a cry that he has been "sold down the river."

This is a strange complaint in the light of the record. Mr. Truman was not disturbed by scandals in 1945—he began issuing pardons to former fellow workers in the Pendergast machine before he had been in office a month.

In 1946, Mr. Truman didn't feel that he had been "sold down the river" by Harry Vaughan and John F. Maragon in their perfume and molasses deal.

The President slept soundly (two blocks away) when thugs blew open the vault of the Jackson County, Mo., courthouse, making off with fraudulent votes which presumably could have jailed some 71 Missouri Democrats then under indictment. This was 1947.

All was serene with the President in 1948 when Charles Binango, the late Kansas City gangster, began raising a \$150,000 campaign fund from his racketeer cronies in behalf of the President and the Democratic candidate for Governor.

The first of the RFC scandals came to light in 1950, implicating the E. Merle Youngs of milk coat notoriety, as well as Donald Dawson, Mr. Truman's personnel adviser. Mr. Truman thought the fuss over this was "silly."

In 1950, the Kefauver Committee revealed the link between Chicago politicians and the underworld; National Democratic Chairman William Boyle's introduction was used in an attempt to work an RFC deal for a group with criminal records. No word from Mr. Truman.

The lid blew off in 1951, and is going higher and higher in 1952. The President now finds his house crashing down about his ears, and cries: "Wrongdoers have no house with me."

Mr. Truman discovers—quite suddenly in election year 1952—that he is being sold down the river. A real piece of timing. After seven sordid years of corruption, the President is "concerned to the point of being angry," his associates say. So far his anger has been vented only upon the press which publicized the rot within the administration, and against the Congressional committees bringing it to light.

If President Truman thinks he has been sold down the river—what do the American people think has happened to them? —Selected.

## THE AMERICAN WAY

By GEORGE PECK

## THOUGHTS WHILE SHAVING

The other morning, as per daily custom, I got out my trusty electric razor (the name of the maker purposely omitted here—no free plug), turned on the switch and proceeded to shave. As usual I could not help noticing that some of the whiskers were longer than others. This has always puzzled me. "Why in the same length of time does one whisker grow longer and stronger than others of its fellow whiskers?" I have often asked myself.

Growing in the same soil, or rather I should say same skin, blood and flesh alongside of a puny runt, a healthy, virile whisker blossoms forth. Just why, I have never been able to figure out. But when my razor has gotten in its ticks, all of the whiskers, both healthy and puny, are reduced to the same size—that is, no size at all. It must be plumb discouraging to a healthy whisker that has toiled night and day to gain stature, to be mowed down to the size of the shiftless, non-toiling bit of fuzz.

On this particular morning it suddenly dawned on me that what that razor was doing to the individual whiskers on my face is exactly what socialism does to the individuals of a nation. It cuts them all down to one size, that is, to no size at all.

Under a socialistic economy the hard-working, thrifty, self-reliant individual is reduced to the same size as the shiftless, wasteful, non-reliant citizen. Struggle as he may, constantly he is cut down. Finally, he loses all incentive to attempt to lift himself above his fellows and discouraged, he throws up his arms in surrender and ceases to struggle.

The theory of socialism is beautiful—the idea of all sharing alike is intriguing; especially for those who have little or nothing to share. But socialism in practice, that is something else again. The end result is that all do share alike—each finishes up with a large equal slice of nothing. For when you reduce the honeybees to the status of drones, no honey is produced.

But there is something socialism creates that is worse than poverty, uncomfortable as that status is—and that thing is loss of freedom. Loss of freedom goes hand in hand with socialism. Those in charge of the dividing process have a nasty habit of dictating how each recipient of the division shall spend his share.

The citizen of the socialistic state is told where and at what he shall work, how he shall live, how he shall educate his children, what doctor and dentist shall serve him; he is even told how to entertain himself. If you doubt the foregoing statement, just ask any Englishman. The English have learned the hard way, that under a socialistic government they not only were ruled and

## STORIES LIKED

Editor, Virginia Beach Sun,  
 Dear Sir:

Please send 20 copies of your December 21 issue to Mrs. G. Oettinger, Knotts Island, N. C. We are going over there to address some letters to boys overseas in different parts of the world and enclose "Tomorrow is Christmas" and George's article, "He Won't Be Home for Christmas." We showed it to some service men here and all agreed that kid can write—it'll go over big with boys over there.

And we want to meet the mother who has brought up a son with that character. Did you notice the amethyst tone all through the article? Thank you for it.

Seven Women Who Write to Service Boys.

## A CHALLENGE

Editor, Virginia Beach Sun,  
 Dear Editor:

My keen interest in the forthcoming referendum on the question of the adoption of the County Executive Form of Government for Princess Anne is doubtless apparent to the residents of this county. Unquestionably James Kellam's acute concern relative to the same subject is even more obvious. Therefore, it appears that the electorate is entitled to know the reason for this more than normal interest. In view of this, without any discussion of the merits or demerits of the two forms of government, which will be thoroughly covered through other media, it does not seem amiss for each of us to state our reasons in your column, side by side, for our extreme partisanship during the pre-referendum campaign.

## Jesting Remark Causes Police to Quiz Two Men

"I'll cut off your head like I did Barr's."

That remark, and the answer of, "Keep quiet, I was in on that deal too," made jesting by two men Sunday night in Tanner's Creek, was enough to cause their arrest for questioning by Princess Anne County police.

The men, whose names were not given out, were released by Police Chief James E. Moore, who said the words were clearly spoken in a spirit of holiday banter.

As far as can be learned, no definite leads have been established leading to a solution of the Smithwick-Barr murders.

Two colored men, one arrested in Norfolk, one elsewhere, are being questioned in connection with the case, it is understood, but no definite charges have been filed.

## PA Ruritans To Install Officers

Recently elected officers of the Princess Anne Ruritan Club will be installed next Tuesday, January 8, when the club holds its dinner meeting at 7:00 p. m. at the Lymhaven Presbyterian Church.

Officers to be installed include: James Darden, of London Bridge, president; R. E. (Tommy) Thompson, of Oceana, vice-president; Wrensey Ewell, of Back Bay, secretary, and Fred Halstead, of Creeds, treasurer.

Frank W. Kellam, past Ruritan District Governor, will discuss "The Ruritan, Past and Present."

To this end, subject to your allotting limited space, I challenge Mr. Kellam.

Sincerely yours,  
 J. Wilcox Dunn

regulation to the hill, but were gradually coming to share less and less. Let's hope that they did not awaken too late and that the Churchill government will be able to restore their lost freedoms and lift their standard of living from the low level to which it has sunk.

Of course, those who foisted socialism upon England were honest about it. They called it "Socialism." Those who are trying to force socialism upon America are not so forthcoming. They have a lot of fancy, misleading names for it, such as "Social Security," "Compulsory Medicine," "Public Housing," etc., etc. They know that were they to call it by its right name, the American people would avoid it like a plague.

The editor of the Dayton (Ohio) Press, in an editorial pointing out how lucky we Americans are, made this very true and wise observation: "The farther you move from freedom the more you pay for a life that is worth less to live."

That would seem to be a high note on which to end this piece, bearing the unusual title, "Thoughts While Shaving."

## Sgt. Struncius To Enter City in AAA Protection Contest

The activities conducted by Virginia Beach during 1951 on behalf of the pedestrian will be evaluated by the American Automobile Association, sponsors of the National Pedestrian Protection Contest, Sgt. F. W. Struncius announced yesterday.

A contest report form, consisting of questions concerning accident records, legislation and enforcement, engineering, organization, school safety and public information, all directed toward the pedestrian, has been completed and mailed, he said.

The city will be judged with other cities of like size and population from all over the country. Winners will be announced by a national board of judges, composed of some of the most prominent men in the field of traffic safety.

With no traffic deaths for the year, and a remarkably low number of accidents, Virginia Beach received Honorable Mention for the year 1950.

The local contest representative issued safe walking rules which he declared were particularly applicable at this time of year. They included the familiar "Wear White at Night" slogan, and admonished pedestrians to cross only at intersections, walk on the left side of the road facing traffic in rural areas, obey traffic signals, look both ways before crossing, and warned to keep from behind parked cars.

"Observance of these safe walking rules," Struncius declared, "insure us not only of getting a good score in a safety contest, but will make all of us a sure winner—with the prize being our own life and limb."

## Care Required

(Continued from Page One)

Everyone who has net earnings of \$400 or more in a year from trade or business must make the annual self-employment return and pay the self-employment tax. A form for making the return will be included with the income tax forms.

Although self-employed people do not make returns until early in 1952, it was stated that they will receive social security credit for their 1951 earnings just as do employees whose wages are reported quarterly by their employers.

A booklet, "Do You Work For Yourself?" explaining the old-age

## 65,671 Vehicles Output of Ford In Norfolk in '51

The Norfolk assembly plant of the Ford Division, Ford Motor Company, produced 65,671 passenger cars and trucks during 1951, G. L. Lemoine, plant manager, announced.

Under the government-controlled program of materials allocation, the plant accumulated approximately 29% less units in 1951 than in 1950. A further production cut of civilian vehicles is expected in 1952, as the national defense program is stepped up.

Of the 1951 total, 51,601 were passenger cars and 14,070 were trucks. Some were purchased by the government for military use. The Norfolk plant has built 1,006,364 units since production began in 1925. The millwork unit, a Ford Victoria, rolled off the assembly lines on November 30.

The plant is supplied by Ford's gigantic River Rouge manufacturing center in Dearborn, Michigan, several other Ford manufacturing plants, and nearly 6,000 independent sub-contractors and suppliers.

## Mr. &amp; Mrs. Gay Buy Hotel in Titusville, Fla.

Mr. and Mrs. Charles P. Gay, Jr., former residents of Virginia Beach, have purchased and taken over the management of the River Palms Hotel Court in Titusville, Fla., it was announced this week.

The River Palms is an ultra-modern hotel court located on US Highway No. 1, and the Indian River, with a private lagoon where boats are available for fishing.

Mr. and Mrs. Gay extend an invitation to anyone from Virginia Beach and vicinity to use the facilities of the River Palms where reservations can be made at any quality court to insure your trip to and from Florida.

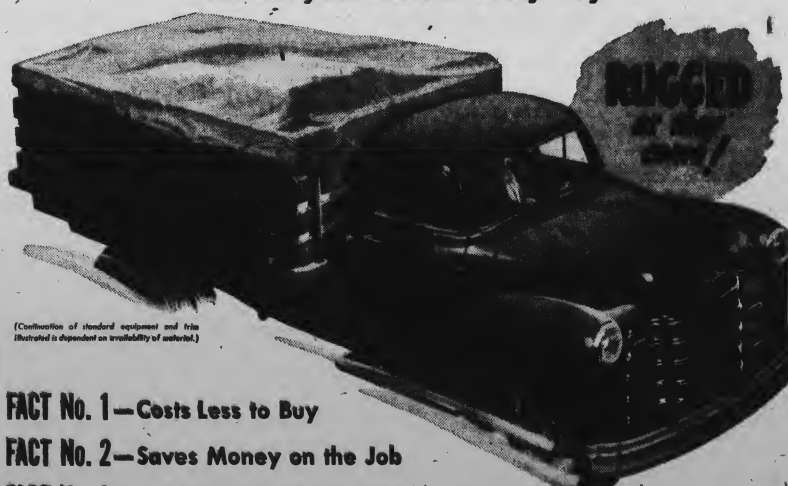

Animals with long legs also have long necks in order to reach their food without bending their knees.

During the first year of a child's life he grows more rapidly than at any other time.

and survivor's insurance as it applies to people who are self-employed may be obtained free at the Norfolk office.

## Buy on these Plain Hard Facts

See for yourself how a Chevrolet truck can cut your costs in every way

- FACT No. 1—Costs Less to Buy
- FACT No. 2—Saves Money on the Job
- FACT No. 3—Right Truck for Every Load
- FACT No. 4—Keeps Its Value Longer

AMERICA's truck users buy on down-to-earth facts, not fancy phrases. That's why more of them buy Chevrolet trucks than any other make . . . nearly as many as the next two makes combined! What they get for their money is a rugged, sturdy, dependable truck that's factory-matched to their jobs and payloads—right power, right capacity, right price—with savings in purchase over other trucks of comparable specifications, and a record of savings on the job that can't be topped. Come in and let's get down to cases on how a Chevrolet truck can cut your hauling or delivery costs. You can't make a better buy—to save your money!

**DEATHS**

**Miss Margaret Moore**

Mrs. Margaret M. Moore, age 66, a native of Baltimore and re-  
sident of Virginia Beach for the  
past three years, died last Friday  
morning at 12:30 a. m.  
She was the widow of Joseph  
G. Moore and the daughter of the  
late George and Mrs. Mary, Crist.  
Surviving are one sister, Mrs.  
Helen C. Morris, of Baltimore, and  
two brothers, Clarence Crist and  
Othello Crist, of Kansas City, Mo.  
Funeral and interment were in  
Baltimore.

**Samuel Wilkerson**

Samuel Wilkerson, a native and  
former resident of Norfolk, died in  
a Norfolk hospital last Friday  
morning at 2 o'clock. A resident  
of Thalia Acres, he was the son of  
the late Jefferson and Mrs. Matil-

**Mrs. Mary A. Bell**

Mrs. Mary Matilda Alexander  
Bell, widow of Harry Layfield  
Bell, and daughter of the late Mr.  
and Mrs. Michael James Alexan-  
der, of Pittsburgh, Penna., died  
in a Norfolk hospital Sunday after-  
noon at 2:05 o'clock.

Making her home at "Poplar  
Hall," Princess Anne County, Mrs.  
Bell was, until very recently, ac-  
tive in garden club activities, and  
often opened her home to mem-  
bers of the clubs of the adjacent  
area.

Mrs. Bell was a native of Puel-  
lo, Colo., and had made her home  
in this section for forty years.

She is survived by four sisters,  
Mrs. Genevieve Bailey Alexander,  
of New Haven, Conn.; Mrs. James  
H. Browning, of Great Neck, N. Y.;  
Mrs. George W. Lyon and Mrs.  
John Connell Aiken, both of Pitts-  
burgh.

Funeral services were conducted  
at "Poplar Hall" on Tuesday. Bur-  
ial was in the Elmwood Cemetery.

da Spivel Wilkerson.

He is survived by his wife, Mrs.  
Elizabeth Haskell Wilkerson, two  
daughters, Mrs. Jane W. LaNeave  
and Mrs. Madeline W. Fletcher; a  
son, John M. Wilkerson, and sev-  
eral grandchildren and nephews,  
all of Norfolk.

Funeral services were conducted  
Monday afternoon at two o'clock  
at the Holloman-Brown Funeral  
Home, Norfolk. Burial was in Ri-  
verside Memorial Park.

**Talbot Found Not  
Guilty of Murder**

A verdict of not guilty was ren-  
dered in Princess Anne County  
Circuit Court last Thursday in the  
murder indictment against Pfc.  
Richard A. Talbot, USA, 10th  
Truck Company, Fort Story, in a  
case growing out of the death in  
the Portsmouth Naval Hospital  
of Newton T. Hill, Navy enlisted  
man, October 11. The jury found  
that head wounds which caused the  
death, inflicted at 20th Street and  
Cypress Avenue, Virginia Beach,  
were inflicted by the accused in  
self-defense.

**Nearly \$1,700 Is  
Given To Fund**

Contributions totaling \$1,690.10  
were given by the good folks of  
Virginia Beach and Princess Anne  
County for the 1951 Joy Fund, fi-  
nal compilation of the figures this  
week disclosed.

General Chairman A. W. Craft  
expressed his deep appreciation for  
the response, and conveyed the  
thanks of the other members of  
the Joy Fund committee, who are  
John C. Bradburn, secretary; Ray  
Cassett and A. C. Peel, vice-pres-  
idents, and Eugene Baker, treas-  
urer.

Contributors to the fund, not  
previously listed, include, in ad-  
dition to London Bridge Troop 96,  
Boy Scouts, who gave three hun-  
dred of dollars:

Episcopal Church	25.00
E. M. Hardy Bible Club	100.00

**Much Progress**  
(Continued from Page One)

owners.

Two other things that indicate  
how a community serves its peo-  
ple are the conveniences provided  
for its children and for its sick.  
The Virginia Beach Municipal  
Playground, about which more in  
a later article, and the new play-  
ground for colored children being  
erected in the county, show that  
we are far from unkind of the  
duties imposed to provide health-  
ful recreation for our youth—and  
for our elders as well.

Virginia Beach has one of the  
finest, most modernly equipped  
hospitals to be found anywhere,  
with an adequate, competent staff  
and enjoys the respect and trust  
of the entire community, which it  
serves, so well.

Churches and civic groups are  
found in profusion—another sign  
of a healthy, growing community.  
The Jewish folk of the area have  
just recently completed a magnifi-  
cent Temple, and the Baptists are  
even now building a fine new  
church building. The Methodist  
congregation also will rebuild on  
their present site, the better to  
accommodate their communicants  
and serve the entire community.

New churches have also been  
built in the county, and more are  
in prospect. Religiously, the area  
is well served by adequate places  
of worship, and by church leaders  
and pastors devoted to the welfare  
of both resident and visitor alike.

Healthy Boy and Girl Scout or-  
ganizations testify further to the  
interest of the community in its  
youth. Sea Scouting is also firmly  
established here, and is enjoying  
a healthy growth.

No note of progress would be  
complete without mentioning the  
activities of the women. And in  
Princess Anne County and Vir-  
ginia Beach women's work reaches  
into every phase of community life.

Women's Clubs, both Junior and  
Senior, and Garden Clubs and spe-  
cial interest groups have done  
much in aiding the progress of  
this section. A new Agricultural  
Center at Princess Anne Court-  
house, housing both the Home De-  
monstration groups and the Wel-  
fare Agency, testifies to the ac-  
tivities of the women.

Streets at Virginia Beach are  
being widened, re-surfaced and  
conditioned for our heavy traffic.  
The rails of the Norfolk Southern  
Railway along Pacific Avenue are  
no more, and plans are being for-  
mulated to make this stretch of  
street one of the showplaces of  
the city.

Not All "Peaches and Cream"  
Not all at the Beach is "peaches  
and cream," however. The City  
Council has on its hands one very  
major problem—that of beach ero-  
sion. Lack of a comprehensive plan  
has long held up work on this pro-  
ject. Experts appear to be in dis-  
agreement as to what course to  
pursue, and funds must be found  
to follow any course outlined. The  
picture is not too dark here, how-  
ever, and every effort is being ex-  
pended to "solve the unsolvable."

Schools in both city and county  
have been another problem, but  
this is being met in a very capab-

**Haygood Pastor  
Receives Television**

The Rev. and Mrs. A. W. Lu-  
thien were given a handsome  
television set by leaders of the  
Haygood Memorial Methodist  
Church at Christmas. It came as  
a surprise and Mr. and Mrs. Lu-  
thien are indeed appreciative for  
this remembrance from their pa-  
rishioners.

**Highway Crash  
Fatal to Woman**

Miss Margaret M. Moore, of 210  
20th Street, Virginia Beach, was  
killed last Friday morning when  
her car went out of control as she  
was driving toward the Beach on  
the Boulevard, and she crashed in-  
to another car headed west, the  
latter car being occupied by Billy  
Ernest Partee, 17, of London  
Bridge, driver, and Roy Everton,  
19, of Virginia Beach. Miss Moore  
and the injured youths were rushed  
to the Virginia Beach Hospital,  
the former being pronounced dead  
on arrival. Neither youth was too  
seriously injured, Partee being the  
more seriously hurt.

Investigating officers from the  
State Police and Virginia Beach  
Police Department said apparently  
the woman's car went out of con-  
trol as she tried to make a curve  
about a mile and a half west of  
the Beach, and she careened over  
the highway, into the path of the  
second car.

Miss Moore was employed as a  
waitress in a local restaurant, and  
was a native of Baltimore.

manner, with the erection of new  
facilities and the addition of room  
to already existing structures. A  
high school at Virginia Beach will  
be a reality by next Fall. In the  
county, new schools for both col-  
ored and white pupils will go a  
long way to resolve educational  
difficulties.

Yet to Come

But more fine things are to  
come in the not too distant future.  
Neither city nor county will stand  
still. New housing developments  
are underway, new business cen-  
ters are either under construction  
or in the planning stage.

One of the finest centers con-  
templated will be the convention  
hall to accommodate the largest  
of groups, located centrally at  
the Beach.

Time marches on, and so do Vir-  
ginia Beach and Princess Anne  
County. The new year holds for us  
no terrors or deep regrets, but  
gives us courage to look ahead—and  
plan for bigger and better  
things for home folks and visitors  
alike.

At...

will captain "The Braves," while  
Al Mailhes will head up "The  
Brutes." Both are making wild  
and vociferous predictions as to  
the prowess of their respective  
teams, but non-biased opinion  
"views with alarm" the fielding of  
two such rusty, none-too-condi-  
tioned line-ups and has issued a  
permanent "stand-by" for all doc-  
tors in the area.

That same unbiased opinion also  
declares this game should be the  
most unprecedented, unparalleled,  
unapproached and hilarious game  
ever to be staged.

Tickets for the football game  
are on sale at Harrells Drug, Mer-  
cedith Drug, Judd's Drug, the local  
banks, the Chamber of Commerce,  
and The Deck. Admission is \$1.20  
including tax and the ticket in-  
cludes "passage" for one adult and  
one child under ten years of age.  
Residents, and visitors are urged  
to attend the game, which will not  
only be "well worth the price," but  
also an individual contribution to  
the polo fund.

## Additional Society

### Chesapeake Beach Woman's Club To Meet Tuesday

The January meeting of the Woman's Club of Chesapeake Beach, will be held Tuesday, January 8, at 1 p. m., at the Chesapeake Beach Community House.

Chief Deputy W. J. Lewis, of the Norfolk Fire Division, who is chairman of the American Red Cross Preparedness and Relief Committee, will speak to the group on Civil Defense.

Mrs. W. W. Connell, Jr., chairman of the 1952 March of Dimes campaign for Princess Anne County, will launch the drive in the Chesapeake Beach area by telling a true story of the work of the National Foundation for Infantile Paralysis, "The Raleigh Story." The program has been arranged by Mrs. T. B. Petty, welfare chairman.

Hostesses for the meeting will be Mrs. Henry Iffland, Mrs. Frederick Rieder, Mrs. J. L. Judge, Mrs. J. B. Loftin, Mrs. R. S. Mullins, Mrs. D. E. Greenwood and Mrs. L. E. Ledington.

A geometric point has no dimensions.

### Paul Revere JAC Club Has Christmas Party

The Paul Revere Junior American Citizens Club of Chesapeake Beach held its Christmas party on Saturday, December 22, at the Chesapeake Beach Community House, and later were entertained by the Men's Club of Chesapeake Beach with Santa Claus as a special guest, with gifts of sweets and fruit for all.

Following the party, the Paul Reverses assembled at the home of Mrs. H. C. Heddy, a convalescent, and sang Christmas carols. During the evening they sang carols throughout the community.

Beginning tomorrow, January 5, immediately following the regular meetings of the club during the month of January, the Paul Reverses will conduct a "March on Polo" through the main streets of the community to raise money for the 1952 March of Dimes drive.

This club is sponsored by the Woman's Club of Chesapeake Beach. Its members range in age from five through eleven years.

Midshipman Walter Maser returned Thursday to Annapolis to resume his studies at the Naval Academy, after spending the holidays with his mother, Mrs. John B. Norfleet, Jr., and Mr. Norfleet, at their home on 53rd Street.

Mrs. Richard Brydges and young daughter have returned to their home in Cavalier Park after spending a week in Bedford, Va., with Mrs. Brydges' parents, Mr. and Mrs. J. A. Miller.

Mr. and Mrs. Roy Jackson have returned to their home in Hyattsville, Md., after visiting Mrs. Jackson's cousin, Mrs. Elizabeth Sawyer Falconer, on 22nd Street.

Miss Corinne W. Falconer has returned to Richmond to resume her studies at the Medical College of Virginia, after spending the Christmas holidays with her mother, Mrs. Elizabeth Sawyer Falconer, of 22nd Street.

Commander H. E. Humphreys and Mrs. Humphreys have returned to their home on 82nd Street after spending the holidays with their son and daughter-in-law, Mr. and Mrs. Paul B. Humphreys, at Arlington.

Mr. and Mrs. Robert Beverley Nash Francis have returned to their home in New York after visiting Mrs. Francis' mother, Mrs. W. Hunter Bell, at her home on 40th Street.

Mr. and Mrs. Elwood Braunbeck, accompanied by their son, Elwood Braunbeck, Jr., have returned to their home on 22nd Street after visiting Mr. and Mrs. Braunbeck's daughter and son-in-law, Mr. and Mrs. Robert Moffitt, Jr., in Birmingham, N. Y. They also visited their son and daughter-in-law, Mr. and Mrs. Paul Braunbeck, in Elmira, N. Y.

Walter T. Startzman left Tuesday for his home in Baltimore after spending the holidays with his son-in-law and daughter, Mr. and Mrs. W. G. Rock King, at their home on Pochostas Drive.

Mr. and Mrs. Spotswood Hall, of Charleston, W. Va., have been visiting Mr. and Mrs. Robert J. Throckmorton at their home on 77th Street, Mr. and Mrs. Spotswood Hall, Jr., of Richmond, spent the holidays at the Princess Anne Country Club.

Dr. and Mrs. C. W. Dewalt, Jr., have returned to their residence in the Mayflower Apartments after spending the Christmas holidays with Mrs. Dewalt's mother, Mrs. Joseph Moore, in Youngstown, Ohio, and Dr. Dewalt's parents, Dr. and Mrs. C. W. Dewalt, in Columbia, Ohio.

Lieut. and Mrs. Raymond J. Smith and infant daughter, Robin, of Pensacola, Fla., spent the holidays with Mrs. Smith's parents, Mr. and Mrs. David R. Van Zieg, at their home on Pochostas Drive.

Mr. and Mrs. Douglas Stepl, of Petersburg, spent New Year's with their son-in-law and daughter, Mr. and Mrs. J. Peter Holland, III, at their home on 53rd Street.

Mrs. Julia Horton and daughter, Miss Caroline Horton, spent the holidays in Bedford, Ky., with Mrs. Horton's parents, Mr. and Mrs. Walter Heick.

Mr. and Mrs. Louis L. Heninger, Jr., and daughter, Carol Ann, have returned to Charleston, S. C., after spending the holidays with Mrs. Heninger's parents, Mr. and Mrs. James A. Moore, at their home on 86th Street.

Mrs. Alice Granberry Parker, of New York City, spent last week end with Mrs. Eugene Clark at her home on 36th Street.

Mr. and Mrs. Thurmer Hoggard, who have been residing on 81st Street, will move the first of the week to their newly completed home on 81st and Ocean Front.

## VIRGINIA

In the Circuit Court of the County of Princess Anne, Virginia Beach, an incorporated town.

## THE COUNTY OF PRINCESS ANNE

To: Paul W. Atkins, Commonwealth's Attorney of the County of Princess Anne  
W. C. Mansfield  
M. C. Maher  
S. Paul Brown  
L. H. Vaughan  
E. I. Herrick, the five last named persons being members of the Board of Supervisors of said County.

You and each of you are hereby notified that Virginia Beach, an incorporated town, will on the 28th day of January, 1952, move the Circuit Court of the County of Princess Anne or the Judges who shall hear the case, to make an order authorizing and declaring the annexation provided for in a certain ordinance, which ordinance was finally adopted by the Council of said town on December 17, 1951, providing for the annexation of certain territory now constituting a part of the County of Princess Anne to the Town of Virginia Beach. A certified copy of said ordinance is attached hereto and made a part of this notice. Reference is made to said ordinance for a detailed description of the territory involved.

Dated this 20th day of December, 1951.

## AN ORDINANCE

To Provide for the Extension of the Corporate Limits of the Town of Virginia Beach, Virginia, pursuant to Provisions of Title 15, Chapter 8, Code of Virginia, 1950, as Amended.

WHEREAS, it is deemed desirable by the Town of Virginia Beach, Virginia, to annex certain territory lying in the County of Princess Anne, State of Virginia, and hereinafter described by notes and maps; now, therefore,

BE IT ORDAINED by the Council of the Town of Virginia Beach, Virginia:

First: That it desires to annex to the Town of Virginia Beach territory now lying in the County of Princess Anne, Virginia, and described by notes and bounds as follows:

(a) Beginning at a point which is the intersection of the northern boundary or corporate line of the present Town of Virginia Beach and the east shore line of Linkhorn Bay, said point also being the point of intersection between the north side of Cavalier Drive and the east shore line of Linkhorn Bay; and running thence eastwardly and northwardly along the corporate line of the present Town of Virginia Beach to a point where the said corporate line intersects the east shore line of Crystal Lake, the above described corporate line having been established and described in detail in that certain order entered by the Circuit Court of Princess Anne County, Virginia, on the 28th day of May, 1923, in the annexation proceedings of the Town of Virginia Beach against the Board of Supervisors of Princess Anne County, Virginia, reference being made to this order for a more particular description; running thence southwardly along the north corporate line of the present Town of Virginia Beach into the Atlantic Ocean as far as the law allows and to a point located in said Ocean which is as far therein as the law allows, the last mentioned corporate line being established and described in detail in that certain order entered by the Circuit Court of Princess Anne County, Virginia, on the 14th day of May, 1928, in the annexation proceedings of the Town of Virginia Beach against the Board of Supervisors of Princess Anne County, Virginia, reference being made to this order for a more particular description; thence running in a northerly direction along a line parallel to the eastern shore line of the Atlantic Ocean but as far to the eastward thereof as the law allows to a point where said line intersects the southern boundary line of the property of the United States of America known as Fort Story; thence in a westerly direction along the

southern boundary line of said property of the United States of America to a point where it intersects the eastern boundary line of the property of the Commonwealth of Virginia known as Seashore State Park; running thence southwardly along the eastern boundary line of the said Seashore State Park to a point where it intersects the northern line of a road known as 63rd Street; running thence in a westerly direction along the northern side of 63rd Street, which coincides with a part of the southern boundary of the said Seashore State Park, to a point where the street ends, which is at the eastern boundary line of a portion of the said Seashore State Park; thence running in a southerly direction across the said 63rd Street and along the eastern boundary line of the said Seashore State Park to a point marking the southeast corner of said Park; and thence running westerly along that portion of the southern boundary line of said Park to its intersection with the east shore line of Linkhorn Bay extended across Rainey's Gut; and running thence in a southerly and easterly direction along the eastern shore line of Linkhorn Bay as it meanders to the point of beginning.

(b) That certain tract, piece or parcel of land containing 10.2 acres, more or less, which is contained within the following boundaries:

Beginning at a point where the north line of 29th Street extended intersects the present boundary line of the Town as it now exists and extends down an arm of Linkhorn Bay; hence easterly along the present boundary line of the Town of Virginia Beach, said line being an extension of the northern line of 29th Street, to the western line of Holly Road; thence continuing down the western line of Holly Road, which is the present boundary line of the Town of Virginia Beach, to a point where said line intersects the northern line of 31st Street; thence westerly along the northern line of 31st Street, which is the present boundary line of the Town of Virginia Beach, a distance of eight hundred (800) feet, more or less, thence southerly and at right angles to the northern line of 31st Street to a point where said line intersects the center line of the said arm of Linkhorn Bay; thence continuing southeasterly and following the meandering of the center line of said arm of Linkhorn Bay to the point of beginning.

Second: The necessity for and expediency of annexation are as follows:

A. The present corporate limits of the Town are too much contracted, resulting in crowded and congested conditions in almost every section of the Town. The beach front or resort area of the Town is practically 100% occupied. Building lots are scarce, and such lots as now remain unimproved sell for such prices as put them beyond the power of the average householder to purchase and build upon. This results in driving from the Town not only those who would seek homes within the corporate limits but also the younger class of our people who reluctantly sever their political connections with us in order to secure homes and the benefits of a freehold at moderate costs in our suburbs. Such worthy persons should not be required to depart from our Town in order to secure the comforts of a home and the benefits of a freehold; besides, the crowded and congested conditions at present existing make it almost impossible to secure desirable homes for rent.

B. The territory which it is desired to annex contains approximately 1,054 acres of land. Within the area there is one tract of land containing approximately 128 acres formerly owned by the late John D. Gordon and the late Charles G. Hume and generally known as the Gordon-Hume property. That has not been divided but is susceptible of division into streets and lots. With the exception of that tract the territory is entirely divided into streets and lots for residential purposes. Its improvement is due to a large extent to overgrowth of the Town of Virginia Beach. In much of the said territory the houses are compactly built, presenting the appearance of a town. The population density per acre is equal to that of the residential areas of the Town of Virginia Beach or the average first-class residential areas of the average city, and the population is equal to and probably in excess of the normal population of the average incorporated town within the Commonwealth of Virginia.

The territory is a compact area essentially urban and entirely separated from the remainder of the County of Princess Anne.

With such conditions and population as now exist, the county government of Princess Anne, which is primarily a rural political subdivision, cannot be expected to deal in an satisfactory manner as can be done by a town, the entire governmental authority of which is set up to manage and serve a compact urban area.

C. The territory which it is desired to annex has no domestic water distribution system of its own, and the system now in use is inadequate. In the near future the territory will require a complete sewerage system. To prevent duplication of operation costs and capital outlay for such systems, the domestic water distribution system and sewerage system should be planned and built as a part of the comprehensive water system and sewerage system for the Town of Virginia Beach. Required improvements to the water system should be coordinated with the improvements now under consideration by the Town for the improvement of its own water distribution system. The sewerage disposal plan should be coordinated with the Town's plans for the future enlargement of its sewerage disposal plant now in operation.

D. The territory desired to be annexed has no school facilities within its limits. The present elementary and grammar grade children living within that territory attend a school owned and located in the Town of Virginia Beach; high school children now living in that territory attend the County high school at Oceana. The Town is now engaged in constructing a new high school building, and it, together with the present school buildings, can provide adequately for the education of the children in said territory.

E. The territory desired to be annexed is a natural outlet for the progress and advancement of the Town of Virginia Beach. The Town cannot continue to grow in population or to develop in a desirable manner within its present limits, and the orderly development under suitable planning and design of the Town itself and of the territory proposed to be annexed can be accomplished only by such annexation. The commercial, civic and social interests of the Town and of the said territory are identical. The physical development of both areas should be made under one master plan, with the general purpose of guiding and accomplishing a coordinated, adjusted and harmonious development of an undivided community which will best promote public health, safety, morals, order, convenience and general welfare, in addition to efficiency and economy in the process of development.

F. The territory desired to be annexed is without that kind of police protection which it should have. The territory is without regular and periodic day and night radio-equipped police patrol service, which service is nationally recognized as a necessity for proper protection to an urban community of that type. The Police Department of the Town is now answering emergency calls within the territory, and it has been requested by the residents of the territory to provide for continuous police patrol service in the area. As a result of the lack of proper protection, the safety of life and the safety of property is endangered, not only within the territory desired to be annexed but also within the corporate limits of the Town. The Town's now furnished patrol service of the kind mentioned above within its corporate limits and it has the facilities whereby such service can be extended to the territory to be annexed at a very small additional cost.

G. Fire protection in the territory desired to be annexed is inadequate. Such service as is available is furnished by the Town pursuant to a contract made with the County of Princess Anne. As set forth above, a large part of the territory is already improved with residential buildings, and the population is great. Both the number of houses and the population density are increasing, and for the safety of persons and property within the territory it should have a completely equipped fire station. Such additional fire protection should be coordinated with and made a part of the existing Fire Department of the Town.

H. The government of Princess Anne County as it now exists is designed for the government of a rural community, and it cannot cope successfully with the situation in said territory. The system of government prevailing in said County was devised and is intended to govern counties and not towns or highly developed urban areas such as the area proposed to be annexed.

I. If the territory is annexed to the Town of Virginia Beach, the territory which will then remain in the County of Princess Anne will exceed sixty (60) square miles.

Third: The terms and conditions under which it is desired to annex said territory are as follows:

A. That except as hereinafter provided in paragraph "B," the tax rate upon the land annexed shall not be increased beyond the rate assessed by the County of Princess Anne for its purposes at the time of the annexation under this ordinance for a period of five years after such annexation except upon the petition of the majority of the freeholders of such territory presented to the Council of the Town of Virginia Beach.

B. That all revenue derived by the Town of Virginia Beach from taxation in said territory during the period of five years after such annexation, either on property or from other sources, including licenses, shall be wholly expended by the Town of Virginia Beach upon schools, streets, sewers, lights, water, or other public improvements in said territory; provided, however, that at any time within said period of five years the Council of the Town of Virginia Beach may by ordinance set apart a sum equal to twelve percent of the assessed value at the time of annexation of the land annexed, which sum so set apart shall be wholly expended in public improvements in and for the benefit of the annexed territory; and when said sum shall have been so set apart and public improvements shall have been substantially completed, the land shall be subject to the Town tax rate and the proceeds thereof shall be paid into the Town treasury, along with all other taxes and licenses in such territory, for general purposes, although the said five year period shall not have elapsed, provided that the said sum so to be set apart and expended shall be reduced by the sum already expended on such improvements under any other plan of annexation, and provided further, that out of the proceeds of the sale of the next highest bonds by the Town of Virginia Beach after such annexation, the said sum equal to twelve percent of the assessed value at the time of annexation of the land annexed reduced by the sums hereinafter mentioned shall be set apart and expended in said territory as hereinafter provided unless said sums have already been so expended.

C. That all County levies imposed on persons and property within such territory for the current fiscal year in which said annexation is made shall be paid to the County of Princess Anne.

D. That the Town of Virginia Beach shall assume and provide for the reimbursement to the County of Princess Anne of such just proportion of any existing debt of said County of Princess Anne or District therein, if any there be, and for the value at the time of annexation of such permanent public improvements as may have been made in the territory to be annexed, either:

(1) By way of macadamizing public roads or streets,

(2) By way of the construction of concrete roads or streets or otherwise permanently improving roads or streets,

(3) By constructing concrete sidewalks on public roads or streets, or

(4) By constructing or laying water mains or sewers, garbage disposal systems, fire protection facilities or bridges;

Or any other permanent public improvements constructed and maintained by the County at the time of annexation, as may be determined by the court in the proceeding, provided that the cost of such public improvement is not embraced in the proportion of the debt of such County or District therein which is assumed and provided for by the Town of Virginia Beach in this proceeding, and provided further that the Town of Virginia Beach shall receive credit upon a just basis to be determined by the Court for such items, if any, as it may have contributed to such public improvements.

Fourth: The provisions which shall be made for the future management and improvement of the said territory are as follows:

A. That the Town of Virginia Beach will, as soon as annexation is accomplished, afford police and fire protection and public school facilities to citizens residing in the annexed territory and will, with all reasonable dispatch, improve and enlarge the domestic

water distribution system and afford and furnish all other public facilities and improvements to said citizens as provided by law.

B. The said territory after annexation shall be governed, managed and controlled under and pursuant to the terms and provisions of the charter of the Town of Virginia Beach (Chapter 186, Acts of Assembly, 1930) as amended.

Fifth: That the Town Attorney be and he is hereby instructed to institute and prosecute with as little delay as possible the necessary legal proceedings in order to annex to the Town of Virginia Beach by proper decree or judgment of the Circuit Court of Princess Anne County the territory hereinafter described upon the terms and conditions hereinbefore set out.

Adopted by the Council of the Town of Virginia Beach on first reading November 19, 1951, by a vote of seven in favor, against none opposed.

I, R. A. Jones, Town Clerk for the Town of Virginia Beach, do certify that the foregoing ordinance is a true copy of the original ordinance entitled "AN ORDINANCE TO PROVIDE FOR THE EXTENSION OF THE CORPORATE LIMITS OF THE TOWN OF VIRGINIA BEACH, VIRGINIA, PURSUANT TO PROVISIONS OF TITLE 15, CHAPTER 8, CODE OF VIRGINIA, 1950, AS HERETOFORE AMENDED," which ordinance was finally adopted by the Council of the Town of Virginia Beach on the 17th day of December, 1951, by a recorded affirmative vote of seven yeas.

Given under my hand and the corporate seal of the Town of Virginia Beach, this 17th day of December, 1951.

R. A. JONES, Town Clerk.

Commonwealth of Virginia, In the Clerk's Office of the Circuit Court of the County of Princess Anne, on the 10th day of December, 1951.

GARLAND GUY DAILY, Plaintiff,

vs.

CAROLINE MARIE DAILY, Defendant.

Order of Publication The object of this suit is to obtain from the defendant a divorce a mensa et thoro, to be later merged and enlarged into a divorce a vinculo matrimonii, upon the grounds of desertion.

And an affidavit having been made and filed that the defendant, Caroline Marie Daily, is not a resident of the State of Virginia, it is ordered that she appear here within ten (10) days after due publication hereof, and do what may be necessary to protect her interest in this suit.

A Copy—Teste: WILLIAM F. HUDGINS, Clerk. By: L. S. Belton, D. C. Robert G. Barr, p. q. 12-14-4

VIRGINIA: In the Clerk's Office of the Circuit Court of Princess Anne County, on the 18th day of December, 1951.

P. T. HENLEY, Guardian of KENNETH RAY MELSON, et als, Plaintiff,

vs.

KENNETH RAY MELSON, et als, Defendants.

Order of Publication The object of the above styled suit is to sell and dispose of parts of Lots 3, 4 and 5, in Block 7, on the plat of Oceana Gardens, of which R. E. Melson and Bessie L. Melson died seized and which descended to Kenneth Ray Melson and Kay Marie Melson as the only infant children of said parties.

And affidavit having been made and filed that Lulu O'Neal, Hatlie Morse, Tom Carson, Ray Bailey, Milton Henley, Leslie J. Henley, Kate Neal, Milton Melson, Jr., Albert Melson, are not residents of the State of Virginia, and any other heirs at law of Richard Melson and Bessie Melson, if any there be, or if any of them be dead, their heirs at law and devisees, whose names are unknown, and all other parties who are or may be interested in the subject matter to be sold or disposed of in this suit, whose names are unknown, all of which unknown parties are hereby proceeded against by the general description of "Parties Unknown."

It is ordered that all non-resident parties and all "Parties Unknown," do appear in the Clerk's Office of our said Circuit Court within ten (10) days after due publication hereof, and do all things necessary to protect their interest in this suit.

Teste: WILLIAM F. HUDGINS, Clerk. By: R. H. West, D. C. Kellam & Kellam, p. q. 12-13-4

NOTICE OF ANNUAL MEETING VIRGINIA BEACH FEDERAL SAVINGS AND LOAN ASSOCIATION The Annual Meeting of Members of Virginia Beach Federal Savings and Loan Association, Virginia Beach, Virginia, will be held in the Association's office, 202-B Sixteenth Street, Virginia Beach, Virginia, on Wednesday, the 16th of January, 1952, at 8:00 p. m., for the election of Directors and for the transaction of such other business as may properly come before the meeting.

W. H. TERRY, Jr., Secretary.

NOTICE The Board of Supervisors of Princess Anne County, Virginia, will at its meeting to be held on the 28th day of January, 1952, adopt the following ORDINANCE which was heretofore proposed at its meeting held on the 28th day of November, 1951:

An Ordinance to regulate and restrict in the interest of the public health, safety, morals, comfort, prosperity and general welfare, the location and construction of buildings and other structures and premises within that area of Princess Anne County, Virginia, known as Lake Shores, Kempville Magisterial District, and to impose regulations designating the kinds or classes of buildings and structures which may be erected and used in said space, the number of persons, families, or group units to reside in, or use them, the public nature of the use thereof, and to provide a method of administration to prescribe penalties for the violation of the within provisions.

WHEREAS, the Legislature of Virginia has authorized the Board of Supervisors of Princess Anne County, Virginia, within the limits of said County, to establish zones, and to classify, regulate and restrict the use of property within such zones, and the Zoning Commission appointed for that purpose in that behalf to the Board of Supervisors recommending the establishment of a zone in that area, known as Lake Shores, Kempville Magisterial District.

The area to be zoned is located in Kempville District, and consists solely of land now or formerly owned by B. W. Shelton, Jr. The area is bounded on the West by Little Creek Reservoir, on the North by the Shore Drive, and on the East by a road leading from Camp Bradford to the Waterworks Road. Its Southern boundary is the southern line of that property now or formerly owned by B. W. Shelton, Jr., which is located North of the Norfolk Southern Railway Co. right of way. Included in this property are all of the lots shown on the "Plat of Lots, B. W. Shelton, Jr., Property, Located on Little Creek, dated June 15, 1947," and "Lake Shores, Section 2, Plat of Lots, additions to B. W. Shelton, Jr., Property located on Little Creek." Excepted from the zoned area is a tract of some 18 acres located in the northeast corner of the described land, formerly belonging to G. W. Frizell. Also excepted therefrom is a small triangle of land belonging to B. W. Shelton, Jr., located on the Norfolk Southern Railway Co. tract, and bounded on the West by a road leading from Camp Bradford to the Waterworks Road, and on the North and East by the property of the United States Government.

It is desired that the ordinance contain the following provisions:

1. The zoned area shall be strictly a residential area.

2. No commercial undertaking of any kind shall be permitted, except that a resident medical doctor may maintain an office in his residence there.

3. Only one detached single family residence may be erected on each lot.

But a one or two car garage may be built, and may be attached to the single family residence or erected apart from it. Only one such garage may be built. Such garage must be built of the same kind of materials that are used in constructing the family residence. Above the garage may be erected quarters for one family only. No outside stairway shall be erected in connection with any residence or garage.

4. No such garage or garage

apartment shall be permitted except in conjunction with an already established single family residence.

5. No temporary dwellings shall be erected.

6. No hoags shall be raised on any part of the zoned property.

7. No trailer of any description shall be placed on any lot and used for living quarters.

8. No billboard or advertising sign of any type shall be permitted, except that a real estate sign will be allowed on the premises concerned when such premises are for rent or sale. And a small professional sign may be displayed on his property by any resident medical doctor who maintains offices there.

9. No buildings shall be constructed without a building permit from the county. Such permit shall not be issued until the building inspector shall have examined the plans, to see that they comply with the terms of this zoning ordinance and the other county building laws.

10. The minimum construction cost of any building to be used as a residence shall be \$10,000.00. This figure shall apply only to the actual construction cost of the residence, and excludes the cost of the lot, landscaping and garage. But the cost of a garage connected to the dwelling unit shall be considered as a part of the cost of the dwelling.

11. No buildings shall be constructed on any lot containing less than 20,000 square feet.

12. No residence shall be constructed on any site closer than 15 feet to its boundary lines, nor shall any garage or accessory building be constructed closer than 15 feet to any boundary line of any lot. No building shall be placed closer than 25 feet to the closest edge of the right of way of the highway or street.

13. No building shall be moved into the zoned area while intact or in a knocked down condition. This shall not prevent materials from a demolished building being used to construct a new dwelling, if such materials are approved by the building inspector.

14. The owner of any lot when constructing a residence thereon shall immediately install a septic tank for proper sewage disposal.

15. Should any section of this ordinance or any part thereof be declared by the courts to be unconstitutional or invalid, such declaration shall not affect the validity of the ordinance as a whole. Such declaration shall affect only that section or part thereof which is declared unconstitutional or invalid.

16. This ordinance shall be enforced by the building inspector, his agents or employees. Any violation thereof shall be punishable by a fine of not less than Twenty-five Dollars (\$25.00), nor more than Fifty Dollars (\$50.00), or by confinement in jail for a period not exceeding thirty (30) days, either or both. Each day of continuous violation shall be considered as a separate offense.

Teste: WILLIAM F. HUDGINS, Clerk. 1-4-4

Commonwealth of Virginia, In the Clerk's Office of the Circuit Court of the County of Princess Anne on the 14th day of December, 1951.

F. E. McILLAN, Plaintiff, against

NED R. STUART, Defendant.

Order of Publication The object of this suit is to obtain specific performance of a real estate contract from the said defendant upon the grounds of a broken contract.

And an affidavit having been

made and filed that the defendant is not a resident of the State of Virginia, it is ordered that she do appear here within ten (10) days after due publication hereof, and do what may be necessary to protect her interest in this suit.

## Proposed District Would Combine Princess Anne, Northampton & Accomack

The new U.S. census, which divides Virginia into 11 congressional districts, has placed the three counties of Princess Anne, Northampton and Accomack in the 11th district. The new district would follow the lines of the First State Senatorial District, represented at the time by Alfred (Jack) Etheridge, with the City of Norfolk added. One member of the new plan would be to divide Norfolk City and the County of Princess Anne from the territory now represented in Congress by Porter Hardy, Jr., whose home is in Norfolk County. The loss of Norfolk City and Princess Anne County by the Second District would be offset, to effect a near balance with the average district population in the Old Dominion, by the addition of Hopewell, Prince George, Surry, Sussex and Greenbush from the Fourth District, the latter to get other territory to bring it into a population balance. The plan was agreed upon within a few minutes after the Second District men met in their second session. Chairman of the subcommittee which worked out the plan was Senator Major M. William of Portsmouth, other members being Delegate Louis Lee Guy of Norfolk, Delegate Mills E. Goodwin of Suffolk, Delegate W. T. Leary of Norfolk County, and Delegate Harry B. Davis of Princess Anne County. Of all plans for redistricting, this plan has the largest backing of any proposed, being favored by all representatives from the present Second District, although some opposition appears to be developing in the Northern Virginia area.

## Service At Historic Eastern Shore Chapel To Hold Next Sunday; Edifice Will Be Re-located

A preaching and Communion service, sponsored by the Rev. William A. Brown, retired bishop of the Diocese of Southern Virginia, will be held at historic Eastern Shore Chapel Sunday morning. Except for a 40-anniversary service to be held prior to the annual disbanding of the structure, Sunday's service will be the last one held in the nearly 200-year-old church building, which was erected in 1764. The first Anglican chapel on the Eastern Shore, the building has been deemed for some time, due to the expansion of the Ocean View Air Force Base, as it and its adjoining graveyard are at the end of one of the main runways of the field. The road which passes the chapel has been closed for some months, and is being relocated to skirt the Air Base. Just when the chapel will be dismantled and re-located at its new site near Wolf Creek close to the intersection of Route 66 and Laskin Road, is not known. Services will be held at the chapel on the Ocean Air Station until the building is moved and a new parish house erected, according to W. Emmett Kyle, of the Board.

## Commissioners Are Sworn In

The local Junior Chamber of Commerce will continue its pick-up of scrap paper, in the form of old newspapers, magazines and the like, this Sunday, January 27. If you have paper for pick-up please bundle it and place it on the curb. Those desiring pick-up before 1:30 o'clock are asked to call 963 or 2951-R.

## Bible Class Plans 10th Year Banquet

The Friendship Bible Class of Hagood Methodist Church, Bayside, will hold a tenth anniversary banquet at Pine Tree Inn on Friday, February 1, at 8:30 p. m. The Rev. and Mrs. E. Leon Smith will be guests for the occasion. The Rev. Mr. Smith, now superintendent of the Virginia Conference Orphanage, Richmond, was pastor of the church when the class was organized. All former members and friends of the class are invited to attend the banquet, reservations for which may be obtained by calling Mrs. Carolyn G. Church, phone Norfolk 10012.

## Purge Ferry Span Completion Is Seen By September '52

Work was received from Richmond this week that the new span across North Landing River at the Pango Ferry, which last week was announced not to begin until 1954, will see work begun by June 1 of this year, and that every effort will be made to speed completion so as to have the bridge ready by the time of school opening in the fall. The altered plans for this much needed bridge are the result of an interview between the State Highway Department and Sidney B. Kelman, head of the Virginia Consolidated and Development Commission, Princess Anne County Delegate Harry Davis and Alfred (Jack) Etheridge, Senator from the First Senatorial District.

## Young Adult Night Will Be Observed On Sunday Night

"Young Adult Night" will be observed at the Virginia Beach Methodist Church this Sunday at 7:30 o'clock. This service is being sponsored and conducted by the Young Adult Bible Class for the Methodist Sunday School. "Giving God a Chance" will be the topic of the sermon to be delivered by the pastor, the Rev. Graham S. Carlson. Special music will be furnished by a chorus choir from the membership of the class. Users for the service will also be class members, and will include Alton Hogard, Arthur Baccus, Marshall Coppedge and Richard Maud. Officers of the Young Adult Bible Class are: Joseph W. Milligan, president; Paul W. E. Pruett, vice-president; Mrs. Richard Maud, secretary; and Mrs. Joseph W. Milligan, treasurer. Captain J. Wilson Loverton, USN, is the class teacher. Following the service, the usual "coffee hour" will be observed in the educational building. The entire congregation is invited to remain for this fellowship period.

## ADMINISTRATIVE HEAD FOR COUNTY IS

ONE OF THEM HAD POLIO

They are identical twins, but it's easy to tell them apart. Polio hit Linda Bonty, 3½, (left), of Arlington, Va., when she was 16 months old. Sister Brenda escaped attack. Treatment paid for by March of Dimes funds is helping Linda on the road to recovery.

## HEAVIEST VOTING PRECINCT OMITTED

Voters of the London Bridge precinct, which had the second largest vote in the county, and which returned the heaviest majority in the January 15 referendum "against" the County Executive form, rubbed their eyes in bewilderment at the tabulated vote given in last week's issue of the Sun-News. Somewhere between the line-type machine and the press, the London Bridge precinct had disappeared. Here is the almost 3 to 1 tabulation for that precinct: For Against London Bridge .... 343 844

## Oceana To Play Governors Tonight

The Oceana Cavaliers will tangle with the powerful Mathew Whaley Governors tonight in the Oceana gym. The Junior varsities of the two schools will play in a preliminary, starting at 7 o'clock. The Whaley quint, last year's district champions, boasts of another strong team, featuring the six-foot-four person at center and at present are undefeated in competition within the league. The Cavaliers, who last Friday racked up their sixth win in eight starts, will be the underdogs in this contest, but are capable of springing an upset. Next Tuesday, January 29, the Smithfield Packers will come to Oceana for an engagement with the boys' and girls' teams.

## Five Beach Men Serve On Carrier

Five Virginia Beach men are serving aboard the aircraft carrier USS Badoeng Strait, with the United Nations forces in the Far East. They are: Comdr. Felix P. Ballenger, USN, husband of Mrs. Mayme B. Ballenger, of 211 72nd Street; Comdr. W. B. Johnson, USN, husband of Mrs. Sybil R. Johnson, of 203 73rd Street; Moulton D. Hines, boatwain's mate, first class, USN, husband of Mrs. Vivian I. Nester, of 806 Eighth Street, and J. L. Harden, pipefitter, third class, USN, husband of Mrs. Anne Harden, of 414 19th Street.

## Liquor By-the-Drink

Receiving a very favorable report by committee, Delegate Spencer's (Norfolk) bill which would allow local option on the sale of spirituous liquors by the drink, appears sure of a vote at this session. It was killed in committee two years ago, after being pelted back for further consideration by the House.

## Out of Committee

Reported out of committee this week were Delegate Harry Davis' bills to permit the re-assessment of real estate within one year after Virginia Beach becomes a city, a proposal to give Virginia Beach authority to issue bonds for seawall construction and other erosion controls. The Virginia Beach city charter bill was referred to a subcommittee for study and report.

## TAX LOAN APPROVED

Passage on second reading of an ordinance authorizing the Town to borrow \$20,000 as a tax anticipation loan, and a move to request the zoning board to submit findings writing to the Council, were the main items on the Town Council's agenda Monday night.

## 'Mother's March' Will Cover County Night of January 31

### Women's Club of Chesapeake Beach In Mothers March

The Women's Club of Chesapeake Beach, under the leadership of Mrs. T. B. Petty, health and welfare chairman, will conduct the "Mothers March" at Chesapeake Beach on January 31, from 7 to 8 p. m. Residents of Chesapeake Beach are being asked to let their porch lights say: "Come to my house I'll join the polio fight." With this march it is hoped to reach the goal of \$1,000 set by the Woman's Club at the beginning of the March of Dimes drive. As its contribution towards the March of Dimes campaign being conducted by the Woman's Club, the Paul Revere Junior American Citizens Club of Chesapeake Beach "sounds off" against polio each Saturday morning at 11 o'clock by parading through the main streets of the community, starting from the Community House. Following the parade, marchers picket local places of business for one hour carrying signs reading "Polio Is Unfair to Kids," and wearing the iron lung replica coin collector for contributions. Polio pickets and their stations are: Peggy Heddy, Shore Drive Inn; Edwin Mayle, Bayside Grocery and Postoffice; Betty Mayle, Robinson's Service Station; Karen Bennett, Franklin's Restaurant; Jackie Lee and Barbara Williams, Allen's Grill, and Michael Harrell, Tally King and Johnnie Hulise Loftin's Grocery. Teen-agers in Drive, Too As their part in the campaign, the teen-age Junior American Citizens Club will sponsor a March of Dimes benefit dance tomorrow night at 8 o'clock at the Chesapeake Beach Community House. The committee in charge of arrangements includes Frances Petty, Anna Bland Faison, Robert Gibson and Sammy Judge, music; Betty Faison, Susanne Harrell, Linda Harrell and Jack Bryant, refreshments; and Jimmy Loftin, Richard Curtis, Lov' Genter and Luther Senter, publicity. Mr. and Mrs. C. G. Faison and Mr. and Mrs. J. B. Loftin, Jr., will serve as chaperones.

## Dimes Dance On Jan. 30 at Legion Club Is Announced

The American Legion Clubhouse on Laskin Road will be the scene of a "March of Dimes" benefit dance next Wednesday, January 30, it was announced this week by Mrs. Hugh Jones, who is chairman for the affair for the Ocean Park Woman's Club, sponsors of the dance. Earl Williams, and his orchestra will provide the music for the occasion, and all proceeds will go to the polio fund. Hours will be from 9 to 12, and reservations may be had by calling Mrs. Jones at 56087, or Mrs. D. B. Hill at 46881.

## ASSEMBLY BRIEFS

### Judge Kinship Bill

The House Courts of Justice Committee this week set public hearings on the proposed judge-kinship bill for Monday at 3:30 p. m. It would bar a judge from sitting on any case in which close relatives are involved. A bill which would permit volunteer fire fighting equipment to have free license use of the highways was introduced yesterday in the State Senate by Senator V. Alfred (Jack) Etheridge, his first bill since he took office. The Virginia Beach Lions Club will sponsor a basketball game on Friday night, February 8, at eight o'clock, featuring the Hanes Hosiery Girls, last year's National AAU champions, versus the "Victorians" Demos, and it was announced this week by Bill Snider, of the Club. The game will be played in the Oceana High School gymnasium, and a donation of \$1 is asked. All receipts will go into the March of Dimes polio fund.

## Wm. T. Medlin Serves In Pacific

Serving aboard the destroyer USS Purdy with the United Nations forces in the Korean area is William T. Medlin, III, fireman, USN, son of Mr. and Mrs. William T. Medlin, Jr., of 601 14th Street, Virginia Beach. Before entering the Navy in June, 1951, Medlin attended Oceana High School. The Purdy has been operating on the Korean east coast in the Songjin, Chongjin and Hungnam areas.

## Capt. J. Brawley Among Graduates

Captain Joseph L. Brawley, US AF, of London Bridge, is a recent graduate of the Quartermaster Substistence School, Chicago Quartermaster Depot, advice received here this week state. Students in the Substistence School are trained to buy, store and to distribute food for the armed forces. They are taught the latest developments in the food processing field and how to apply these developments to the solution of the procurement and distribution problems that arise in keeping our troops well fed. Colonel Elmer A. Kell, Jr., is commandant of the school.

## Dr. Dunning To Preach Tonight

Dr. Norman G. Dunning will speak at the Presbyterian Church tonight on the conditions and spiritual life of England, and will also preach at the morning and evening services on Sunday. Dr. Dunning is Warden of Haworth Hall, Hull, England. He has been a member of the Norfolk Preaching Mission twice and has been preaching in this country since last September. In former years his preaching missions have taken him to Canada, the Fiji Islands, New Zealand, India and Australia, and he will represent the Methodist Church of England at their Centenary of mission work in Africa. Everyone is invited to hear Dr. Dunning in these final meetings of his preaching at Virginia Beach.

## NEW OFFICIAL LINE TO BEEN ON JULY

Princess Anne County, which in its effort to place an equal number of voters, moved this week to the new plan to govern the county as a "single-member district." The decision was reached after months of consideration, and to the report, which was an official report and a message to the voters.

Organization of the county, including all of the precincts, was made up of 100 precincts, and the new plan will be in effect on July 1, 1952. The new plan will be in effect on July 1, 1952.

The Code of Virginia, as amended, provides that governing of any county in the State, by an executive committee, shall be subject to the approval of the voters. There have been some talk that local officials in the State Legislature would be asked to introduce legislation for the local government in order to amend local sections as they are now, but both Delegate Harry B. Davis and Senator V. Alfred Etheridge said, as plans were presently considered, that it was not the intention of the present Code Commission to make any such changes. The present Code Commission is in the process of drafting the new official code of the court and collecting delinquent taxes. An official report said, do not want to detract from the office of the clerk, but we do want to keep the government as close to the people as possible.

## Jaycees To Give March of Dimes Dance Feb. 1st

The Junior Chamber of Commerce will sponsor a March of Dimes benefit dance at the Piney Point Supper Club, it was announced this week as part of the local program to raise Princess Anne County's quota of \$10,000 for the polio fighting fund. Roy Kipper and his orchestra will provide the music for the affair, which will get under way at nine o'clock and last until the wee hours. Tickets are \$1.20 per person with tax included, and may be purchased from any Jaycee or the members of the Civitan Club, the Lions Club, the Junior Woman's Club, at the News Center, or from Doyle's Real Estate or The Deck at Virginia Beach, and at the 5 & 10 cent store at Oceana or McKinney & Son grocery. All proceeds will go to the Virginia Beach Chapter of the National Foundation for Infantile Paralysis.

## Lions Will Sponsor Dimes Drive Game

The Virginia Beach Lions Club will sponsor a basketball game on Friday night, February 8, at eight o'clock, featuring the Hanes Hosiery Girls, last year's National AAU champions, versus the "Victorians" Demos, and it was announced this week by Bill Snider, of the Club. The game will be played in the Oceana High School gymnasium, and a donation of \$1 is asked. All receipts will go into the March of Dimes polio fund.

## Comdr. Campbell Gets San Marcos

A Virginia Beach naval officer this week assumed command of a major unit of the Amphibious Force, Atlantic Fleet, Commanded by Comdr. H. Campbell, USN, of 115 57th Street, became the new commanding officer of the landing ship, dock, USS San Marcos (LST-26) at week's end Monday at the Gray's Island Naval Plant. He replaced Comdr. George M. Brown, USN, who became LST-26's commanding officer on January 23.

A graduate of the Naval Academy, class of 1934, Comdr. Campbell has been a member of the Navy's Sea Scout, and served at the Naval War College, and during World War II he served on the battleship USS Missouri in the Pacific as an executive officer and as a division officer. The new LST skipper is the only member of his branch to have served two tours in the Pacific. Comdr. Campbell is married to Mrs. H. Campbell, and lives at 115 57th Street, San Marcos, Va. The new LST skipper is the only member of his branch to have served two tours in the Pacific. Comdr. Campbell is married to Mrs. H. Campbell, and lives at 115 57th Street, San Marcos, Va.

### Camera Club May Be Formed Here

Horace Simmons, genial commercial photographer and owner of Simmons Camera Center, Atlantic Avenue, reports that many have approached him in recent weeks relative to the forming of a camera club. The inquiries have been so numerous, he has decided to have a go at it, and asks all who are interested to contact him and leave their names and addresses so that a meeting can be planned and a club formed.

Simmons states that anyone the "camera bug" has bitten, be he or she polished professional or rank amateur with a buck-and-a-half box camera, are eligible for membership in the projected club.

So, photo hobbyists, here is the chance to get together with others of the same species!

### Father-Son Banquet Of Creeds Future Farmers Well Attended

The annual Creeds Chapter F. F. A. Father-Son banquet was held Monday night, January 14, and was well attended by the Future Farmers and their guests.

The address of welcome was delivered by Julian Etheridge.

Among the honored guests were the Rev. Joseph Turner, Creeds High School Principal J. R. Rounten, Assistant County Agent Jack Brothers, High School Supervisor R. H. Owens, Math Instructor and 4-H Club Sponsor Walter Carroll, and History Teacher and Coach Lewis Breedlove, Creeds High School.

Hunter Spence acted as master of ceremonies, and the Future Homemakers served the dinner, which consisted of wild and domestic fowl, with all the trimmings.

Mr. Brothers gave an interesting talk on his tour of duty with the U. S. Navy during World War II. Frank Williams, high school junior, and Elwood Styron, a graduate of '51, were presented the Star Farmer award, the highest recognition which the local FFA chapter's instructor can confer upon a young local farmer.

"Green Hands" were given their FFA pins, and the creed was recited by Mark Oettinger.

A review of the year's accomplishments of the Creeds chapter was given by George Oettinger, president of the Creeds FFA chapter, who presided at the meeting.

As usual, the agricultural instructor, S. B. Myers, had put in many hours of hard work to make this Father-Son banquet a success.

### REVIEWS YEAR

George Oettinger, III

### Administrative Head

(Continued from Page One)

Supervisors could hire an "executive" or "administrative head" if they felt so inclined.

It is not known whether any action will be taken at the organizational meeting of the new board which is to be held at the court house on Monday. No mention has been made as to any applicant for the job, nor has there been any mention of a salary.

It is anticipated that should such an official be chosen, he would take up his duties at the beginning of the new county fiscal year, July

### BAYNE SCHOOL

**GIVE BOBBY SHOW**  
Mrs. Katherine Gardner's room, the 5th grade of Bayne School, gave a hobby show on the 13th and 14th of January. About fifteen hobbies were represented, such as leathercraft, bead making, chemistry, and collecting. The upper grades were invited to visit them.

Robert Holloman and Joan Kirby were awarded blue ribbons, and Martha Vogel and Carol Gregory won red ribbons.

Robert Holloman performed several feats of magic to the delight of everyone present.

### STUDYING MEXICO

Miss Earman's fourth grade is studying about Mexico and its people. Various articles have been collected and are being exhibited on a display table. The students are also writing poems about Mexico. The girls in this class will have a doll show and the boys will stage a hobby show.

### It is presumed.

As now planned, the new county official would act as the purchasing agent for the county and as a go-between for the Board of Supervisors and the people of the county.

### ROBERTSON'S BAMS

## Music Club Meets At Dundee Inn

The Virginia Beach Music Club met last Friday at the Dundee Inn with Mrs. Collette Robinson and Mrs. Madeline Stump as hostesses. The program, arranged by Mrs. Roland Thory, consisted of selections from Chopin, Liszt, Gounod, Brahms, Kreisler, Chaminade and were presented by Mrs. Richard Everett, Mrs. Raymond Pritchard, Mrs. Marie Hershey, Mrs. Thory and Carroll Trust. Mrs. Robinson and Mrs. Church served as accompanists. The evening was served by the hostesses at the conclusion of the program.

## Senior Cotillion Group Dance Tonight

The Senior group of the Junior Cotillion will give a dance tonight at 8 o'clock at the Waverly Hotel. Chaperones for the occasion will be Mr. and Mrs. Roy Briggs and Mr. and Mrs. E. J. Brethour. The Cotillion will be led by Miss Sandy Briggs with her partner, Ben Turnbull; and Miss S. Turnbull, and Kenny Brethour and his partner, Miss Suzanne Forbes. Guests will number sixty.

## Announce Birth

Mr. and Mrs. J. L. Harden, of Virginia Beach, announce the birth of a daughter, Mary Catherine, January 9, at the Portsmouth Naval Hospital, Mrs. Harden is the former Miss Anne Gregg. Mr. Harden is now stationed in Korea.

## Shipp-Barnes Wedding Announced

Mr. and Mrs. Walter Clifford Barnes, of London Bridge, announce the marriage of their daughter, Miss Marian Leigh Barnes, to William Harold Shipp, Jr., son of Mr. and Mrs. William Harold Shipp, of Virginia Beach. The ceremony took place Sunday afternoon, December 23, at 4 o'clock at the Freeman Street Baptist Church, Norfolk, Dr. S. W. Melton officiating.

## Flower Arranging Clinic Planned

A clinic on flower arranging, sponsored by the Lake Joyce Garden Club, will be held Tuesday, January 29, at 10:30 a. m. in the Chesapeake Beach Community House. All members are asked to bring materials and containers.

Mrs. Carl Forsberg, Jr., and Mrs. Harry Sessions have returned home after spending several days at the Williamsburg Inn, in Williamsburg.

## Salmons-Woods Vows To Be Spoken February Ninth

Saturday, February 9, has been chosen by Miss Katherine Binford Wood, daughter of Mr. and Mrs. Albert Carmichael Wood, of Virginia Beach, as the date for her marriage to Lt. Richard Waring Salmons, USMC, the ceremony will be performed at the Galilee Episcopal Church here at 8:30 in the evening.

Matron of honor will be Mrs. Frederick Otto Bowman, of Philadelphia, and bridesmaids will be Mrs. David Swingle Ferebee of Norfolk, Miss Marie Buckmaster Sparks of Virginia Beach and Mrs. Louis Lawson, sister of the bridegroom, of Norfolk.

Miss Florence LeMoine has returned home after visiting her sister, Miss Mary LeMoine, at her home in Petersburg.

Mr. and Mrs. William Thomas and infant daughter, of Norfolk, are spending several weeks with Mrs. Thomas' parents, Mr. and Mrs. James M. Jordan, Jr., at their home in Bay Colony.

## Card and Game Party Planned for Feb. 28

Mrs. Bradley Martin, chairman of the ways and means committee of the local Daughters of America, announces that the organization will sponsor a card and game party to be held Saturday, February 28, at the American Legion Clubhouse, Laskin Road.

This is a benefit party, and the public is invited. Door and table prizes will be given, Mrs. Martin said.

Assisting the chairman will be Mrs. Eloise Merkle, Miss Alma Cartwright and Mrs. Ruth Patterson.

Mr. and Mrs. James A. Moore have returned home after a cruise on the SS Ryndam in Caribbean waters.

## SPLENDID RECOGNITION

The splendid recognition accorded V. Alfred (Jack) Etheridge, and increasing importance of Princess Anne County and the First in the General Assembly, in a source of much satisfaction to his friends and constituents. This recognition took the form of three outstanding committee appointments—to the Counties, Cities and Towns Committee, (an extraordinary appointment for a Senator serving his first term), to the Committee on Roads and Internal Navigation, another top body in the State Senate, and to the very outstanding Committee on Fish and Game.

Without checking the records, we dare say that no such honors have befallen any freshman Senator in recent memory. It speaks volumes on the high esteem in which Jack Etheridge is held personally in the highest legislative body of our State, and also the fast increasing importance of Princess Anne County and the First Senatorial District in the affairs of the Old Dominion.

The Sun-News offers its heartiest and most sincere congratulations to Senator Jack Etheridge, knowing that he will be a sincere and capable worker for the interests of Tidewater Virginia and all its people, and one to whom the entire State can point with pride.

Princess Anne County is represented in the House of Delegates by a veteran legislator, Delegate Harry B. Davis, whose long service and manifest abilities have won for him places of great importance in Richmond. Mr. Davis is chairman of the very important Education Committee, and Vice-Chairman of the Chesapeake and its Tributaries Committee. He is also a ranking member of the Executive Expenditures Committee. Only the fact that no member may be chairman of more than one important committee prohibits him from being chairman of some of his committee assignments. Mr. Davis has also been a member of the Committee on Game and Inland Fisheries and of the Currency and Commerce Committee.

One of Mr. Davis' most important posts is that of membership on the nine-man Virginia Advisory Legislative Council, and the chairmanship of the Council sub-committee on Primary Election Laws. He is also a member of the sub-committee on Institutions of Higher Learning and one of the nine-man Legislative Redistricting Committee.

Princess Anne County may well be proud of both Mr. Etheridge and Mr. Davis, and the prominent positions they hold in the legislative halls of the Old Dominion.

## ANALYZING THE RESULTS

Looking back at the results of the referendum of January 15, in the sober light of the size of the vote and the size of the margin of victory of those who opposed changing our type of county government, several facts stand out, and many inferences may be drawn, now that the fervor of the campaign has abated.

First, the size of the vote. It was by far the largest ever recorded in Princess Anne County on a strictly "yes" or "no" question. In fact, it was the second largest vote ever to turn out in the history of the county, being exceeded only by the primary election of last August.

This would indicate that the voters of Princess Anne County were interested in their type of government, and (from the size of the vote of those who opposed the change) determined that the good government the county has enjoyed for many years was not going to be jeopardized by any "experiments" in that field.

For the almost 2 to 1 vote against the experiment was the largest ever recorded for or against any purely local issue in the entire history of the county.

This would indicate that the people have complete faith in their present system and in the integrity and efficiency of their duly elected officers, who were placed in their positions last fall by what up to then was the second largest recorded vote, following the record-breaking primary.

Some may have voted "for" the proposal solely because they had the notion that a "change" was desirable, for tenuous and hastily-conceived notions about tenure of office. The same ideas may have been in the minds of some who voted the "People's Ticket" in the August primary and the few "write-in" voters in the November general election. The fact is that with the exception of one candidate, none of the county officials chosen in those elections had had any lengthy tenure of office—and one candidate on the People's Ticket had had the same length of tenure. The notion of change for change's sake is very specious, and will not stand up under even casual examination. From the results of the elections last year, and of the January referendum, very few of the voters were swayed by such fallacious argument.

It was also noteworthy that while the proponents of the new system went all out in their advocacy of another method of choosing the School Board, not one word of direct criticism was advanced against a single member of that body.

Interpreting the record-breaking vote, it would appear very evident that the sane-thinking voters of Princess Anne County would not be stampeded into endorsing an experiment in government which might have proven expensive and would have chanced depriving them of the competent, efficient type of government they have so long enjoyed, under officers chosen by them and in whom they have well-founded and whole-hearted confidence.

Of one fact we are proud. That is that the voters of Virginia Beach, where proponents of the County Executive form figured an advantage, had the good taste to return a majority against the plan, for regardless of their feelings, they knew that none of them would be bound by the results, withdrawing as they are from the county and becoming an independent city.

From where I sit... by Joe Marsh

Ed Got Red  
In His Own "Hot Water"

Joe Marsh started a "Pay-Your-Ed" campaign last week and ended up with a slightly red face. He's been our Water Commissioner for ten years, and for ten years now he's been getting tied up over slow payments of bills.

So, he finally decided to do something drastic about it. Last week he sent notices that if the customers didn't pay up by Friday, he'd shut off their water.

Naturally, some still didn't square accounts. Ed ordered their water turned off, and 14 homes

went without all week end—the Commissioner's among them. Seems Ed forgot to pay his bill.

From where I sit, Ed's mistake is one we all make at times. We are too quick to accuse others while forgetting our own faults. Lots of us do it, for instance, over a difference in taste for a soft drink or a friendly glass of beer. Let's respect each other's preferences and we'll all stay out of "hot water."

Joe Marsh

## The Editor's Mail Box

SLUDGE HAMMER BLOW?

Editor, Virginia Beach Sun-News, Virginia Beach, Va.

Dear Editor:

Far from being a "slugging wedge" as interested citizens described the recent referendum on the county executive form of government, I would like to see it as a sledge hammer blow to the petty aspirations of a certain group of disgruntled citizens who have their own, rather than the county's interests at heart.

Following the aggregating and childish election contests in the courts in attempts to thwart the will of the people as expressed at the ballot boxes in August and November, this vote would seem to drive the nail home in the county's hopes at disbanding the slugging wedge.

This vote proves to me that the voters of our county cannot be stampeded by rash statements and mud-slinging, even by experts. We like our system. We like our elected officials. And we told everyone so on January 15. The almost 2 to 1 vote should convince even the most skeptical poor loser.

If the People's Ticket candidates had been for this executive thing, why didn't they say so prior to last August—and why did they put up candidates for Commissioner of Revenue and Treasurer, if they wanted those offices abolished? To me, and apparently to

## Bible Class

(Continued from Page One)

Dr. Edgar Potts, Methodist District Superintendent, visited Hagood Church last Sunday and a large attendance enjoyed his sermon. Special music was rendered by both senior and junior choirs.

Fellowship Plans Supper

The Methodist Youth Fellowship of the church will have a pot-luck supper Sunday night at 6:00 o'clock. All members are urged to be present.

## Junior 4-H Club Meets Has Big Attendance

The Oceana Junior 4-H Club met January 8, starting the new year off with a bang and large attendance with several new members.

All members of one year or more were given the Award of Merit membership card.

The girls served all with delicious cookies they had made.

Mr. and Mrs. Edward H. Renn and two daughters have left to spend six weeks at Mount Dora, Fla., with Mrs. Renn's father, I. C. Mason.

Many others, this was a distinct break in faith, and the 2 to 1 vote proves it.

Most sincerely,  
Life-long Resident.

## Star Chapter Farmer of '51

By George Oettinger, III  
Speaking of physique, handsome six-foot Frank Williams cannot be sold short, and don't try to sell him short as a farmer. With up-to-date equipment, modern agricultural methods, this high school Junior has developed into a real Future Farmer.

In 1951, Frank's enterprises consisted of five acres of corn, three acres of soybeans and five acres of Irish potatoes. He also raised a beef cow. His total labor income was \$246.

Frank's outstanding farm work has won for him the Star Chapter award, Future Farmers of America Foundation, the highest local recognition one may receive. This award was presented to him on January 14 at the Father-Son

## Awarded 6-Year Pins

Four members of the Oceana Senior 4-H Club were awarded 6-year membership pins at the January meeting.

Receiving pins were: Mildred Godfrey, Warren Brinkley, Buddy Owens and Roy LaBarber.

Banquet by our agriculture instructor, S. B. Myers.

Our award-winning classmate is the son of Mr. and Mrs. Linna A. Williams, of Back Bay.

Take your bow, Frank, and bow a little low so we short fellows, too, may take off our hats to you, a champion Future Farmer, who even finds time to keep his car shining as if it had just come out of the showroom.

## 'Mothers March'

(Continued from Page One)

The amounts given on this occasion need not be much individually, but if everyone gives, the total will go far toward helping realize the county's goal of \$10,000.

Mrs. W. W. Connell, Jr., overall chairman for the local March of Dimes, explained that 50 cents of every dollar given locally remains in the county for local work and the balance goes to the National Foundation for research and aid to epidemic regions where local funds cannot possibly suffice. She noted that last year the National Foundation returned to Virginia localities a large part of the funds received from the state, and that, following its policy of never refusing aid to polio victims wherever they may be, the Foundation finished the year several millions of dollars in debt.

"We most earnestly hope and pray that Princess Anne County never experiences an epidemic of polio," Mrs. Connell said, "but if we should, you can rest assured that the National Foundation would pour all necessary funds and equipment into the county to fight it to a standstill."

Mrs. Richard C. Goodman is chairman of the "Mother's March" for the Junior Woman's Club, and her team captains are Mrs. Thomas J. Kenney, Mrs. William Kellam, Mrs. W. H. Kitchen, Jr., Miss Ruth Pritchard, Miss Geraldine D. Osborne, Mrs. T. Cornell Berry, Mrs. J. Goodenow Tyler, Mrs. J. A. Clark, Mrs. J. M. Meredith, Jr.,

## Care of African Violets Discussed at Meeting

The Princess Anne County African Violet Society met Thursday afternoon of last week with Mrs. W. R. Jordan, of 52nd Street, Miss Mildred McClannan was co-hostess for the meeting.

A round table discussion on the care of Saintpaulia (African Violets) was held, and the society voted to contribute \$5 to the March of Dimes and \$5 to the Red Cross. Plans are being made to hold an exhibit of violets in April.

Following the business session, a handkerchief shower was given honoring the birthday of the society's president, Mrs. H. F. Ames, and later refreshments were served to the thirteen members and five guests present.

Ribbons for exhibits went to Mrs. R. P. Minton and Miss McClannan, blue; Mrs. Lawrence Lockwood, red; and Mrs. J. B. Tillet and Mrs. H. E. Hadsell, green.

Mrs. D. Murray Malbon, Mrs. W. E. Etheridge, Mrs. J. Robert Adenbrook, Mrs. Tom Rose and Mrs. Harold M. Webb.

Assisting Mrs. Goodman with publicity are Mrs. J. L. Strole, Jr., and Mrs. John A. Tucker.

## Pungo Ferry Span

(Continued from Page One)

of the Army, whose approval had been obtained for the span, and plans had been set for delaying

construction until 1954, when it was hoped steel would be more plentiful.

However, the urgency of the need for the span caused the highway body to decide to begin work this year in June or earlier.

The bridge, to have a single draw-span allowing 80 feet between fenders, will have unlimited vertical clearance. Vertical clearance with the span closed will be five feet.

The bridge will replace the fer-

## Legal Notices

### NOTICE

The Board of Supervisors of Princess Anne County, Virginia, will at its meeting to be held on the 28th day of January, 1952, adopt the following ORDINANCE which was heretofore proposed at its meeting held on the 28th day of November, 1951:

An Ordinance to regulate and control in the interest of the public health, safety, morals, comfort, prosperity and general welfare, the location and construction of buildings and other structures and premises within that area of Princess Anne County, Virginia, known as Lake Shores, Kempsville Magisterial District, and to impose regulations designating the kinds or classes of buildings and structures which may be erected and used in said zone, the location of premises, foundations, or group units to reside in, or on them, the public, quasi-public, or the private nature of the use thereof, and to provide a method of administration and to prescribe penalties for the violation of the within provisions.

WHEREAS, the Legislature of Virginia has authorized the Board of Supervisors of Princess Anne County, Virginia, within the limits said County, to establish zones, and to classify, regulate and restrict the use of property within such zones, and the Zoning Commission appointed for that purpose has made a report to the Board of Supervisors recommending the establishment of a zone in that area, known as Lake Shores, Kempsville Magisterial District.

The area to be zoned is located in Kempsville District, and consists solely of land now or formerly owned by B. W. Shelton, Jr. The area is bounded on the West by Little Creek Reservoir, on the North by the Shore Drive, and on the East by a road leading from Camp Bradford to the Waterworks Road, its Southern boundary is the southern line of that property now or formerly owned by B. W. Shelton, Jr., which is located North of the Norfolk Southern Railway Co. right of way. Included in this property are all of the lots shown on the "Plan of Lots, B. W. Shelton, Jr., Property, Located on Little Creek, dated June 15, 1947," and "Lake Shores, Section 2, Plat of Lots, additions to, B. W. Shelton, Jr., Property located on Little Creek." Excepted from the zoned area is a tract of some 18 acres located in the northeast corner of the described land, which formerly belonged to G. W. Frizzell. Also excepted therefrom is a small triangular tract of land belonging to B. W. Shelton, Jr., located on the Norfolk Southern Railway Co. tract, and bounded on the West by a road leading from Camp Bradford to the Waterworks Road, and on the North and East by the property of the United States Government.

It is desired that the ordinance contain the following provisions:

1. The zoned area shall be strictly a residential area.
2. No commercial undertaking of any kind shall be permitted, except that a resident medical doctor may maintain an office in his residence there.
3. Only one detached single family residence may be erected on each lot.
4. No such garage or garage apartment shall be permitted except in conjunction with an already established single family residence.
5. No temporary dwellings shall be erected.
6. No hogs shall be raised on any part of the zoned property.
7. No trailer of any description shall be placed on any lot and used for living quarters.
8. No billboard or advertising sign of any type shall be permitted, except that a real estate sign will be allowed on the premises concerned when such premises are for rent or sale. And a small professional sign may be displayed on his property by any resident medical doctor who maintains an office there.
9. No buildings shall be constructed without a building permit from the county. Such permit shall not be issued until the building inspector shall have examined the plans, to see that they comply with the terms of this zoning ordinance, and the other county building laws.

10. The Fees for building permits shall be as follows: Three dollars for each one thousand dollars of cost up to twenty thousand dollars; two dollars per thousand dollars of cost in excess of twenty thousand dollars and up to fifty thousand dollars; one dollar per thousand dollars of cost over fifty thousand dollars. The minimum charge shall be one dollar.

11. The minimum construction cost of any building to be used as a residence shall be \$10,000.00. This figure shall apply only to the actual construction cost of the residence, and includes the cost of the lot, landscaping and garage. But the cost of a garage connected to the dwelling unit shall be considered as a part of the cost of the dwelling.

12. No buildings shall be constructed on any lot containing less than 20,000 square feet.

13. No residence shall be constructed on any site closer than 15 feet to its boundary lines, nor shall any garage or accessory building be constructed closer than 15 feet to any boundary line of any lot. No building shall be placed closer than 25 feet to the closest edge of the right of way of the highway or street.

14. No building shall be moved into the zoned area while intact or in a knocked down condition. This shall not prevent materials from a demolished building being used to construct a new dwelling, if such materials are approved by the building inspector.

15. The owner of any lot when constructing a residence thereon shall immediately install a septic tank for proper sewage disposal.

16. Should any section of this ordinance or any part thereof be declared by the courts to be unconstitutional or invalid, such declaration shall not affect the validity of the ordinance as a whole. Such declaration shall effect only that section or part thereof which is declared unconstitutional or invalid.

17. This ordinance shall be enforced by the building inspector, his agents or employees. Any violation thereof shall be punishable by a fine or not less than Twenty-five Dollars (\$25.00), nor more than Fifty Dollars (\$50.00), or by confinement in jail for a period not exceeding thirty (30) days, either or both. Each day of continuous violation shall be considered as a separate offense.

Teste:  
JOHN V. FENTRESS, Clerk.  
1-11-4

### NOTICE
